

# TOWN OF ALTON

## **NEW HAMPSHIRE**

2000 ANNUAL REPORT

## This Year the Town Report is Dedicated to Robert L. Calvert

Bob Calvert 1918- 2000

Almost from the day in 1983 that Bob and his wife Cathy came to Alton after retirement from 42 years as a professional in Boy Scouts of America, he was an active participant in Town affairs.

Bob was a member of the Planning Board, Budget Committee and served 5 years as a Selectman and during that time, he was actively involved with developing Alton's Master Plan. As a school volunteer, Bob coached The Odyssey of the Mind, and in 1998 at the age of 80, he was elected Town Moderator. We all remember in 1999 going home at eleven o'clock in the evening after a smooth, succinct Town Meeting.

For several years he served as President of United Association of Alton, a group of people that represented the different home owners associations in Alton. Bob also served on the Board of Directors of the VNA/Hospice (4 years as president). He created the "Kitchen Cabinet" to guide the fund-raising efforts for the Gilman Library addition. His volunteer efforts were recognized by the State, the Municipal Association and library groups.

Alton was so very fortunate that Bob chose to settle here and to use his energy, enthusiasm and talents in speaking and volunteering for Alton. Who could forget his poetry, his "MC ing" at dinners and retirements and using detergent boxes and bottles to get your interest. Bob greatly enjoyed such festivities and used his special talents in writing and speaking for everyone's pleasure.

Bob's generosity of his personal time and his accomplishments will long be remembered and appreciated by those of us who were fortunate enough to know him. Thank you Bob.

S.E.C. A.Z.C.

#### MINUTES OF THE 2000 ALTON ANNUAL TOWN MEETING MARCH 15, 2000 ALTON SCHOOL GYMNASIUM

Pursuant to the foregoing Warrant, the voters met at the Alton School Gymnasium on Wednesday, March 15, 2000 at 7 o'clock in the evening to act on the balance of the Warrant articles. The Moderator, Robert Calvert, called the meeting to order promptly at 7:00pm and led the audience in the Pledge of Allegiance. Mr. Calvert introduced the Board of Selectmen, Chairman, William Ryan, James Washburn, Reuben Wentworth, Arnold P. Shibley, Harold Bothwick, Interim Town Administrator, Andrew Locke, Attorney James Sessler, Code Official Brian Boyers, Town Clerk, Lisa Waterman, Recording Clerk, Christine Whalen. Mr. Calvert recognized the Chairman of the Budget Committee, Scott Sweezey who in turn introduced committee members, Ruth Messier, Alan Sherwood, Virginia Bergeron, Laurie Boyce, Gregory Fuller and Anna Griffin.

The Moderator read the Rules of the Meeting. All votes would be taken by show of cards or by standing count when a vote was in doubt, or a 2/3 vote required. Articles would be read before acting upon, amendments must be in writing and articles, with all amendments, will be read before final action. The Moderator will announce the decision before proceeding to the next article. The results of the Town and School elections held the previous day were announced and he thanked the people who volunteered to work at the polls and count the ballots in the evening.

A vote was taken to allow non-residents to speak at the meeting. The vote passed unanimously.

ARTICLE 1 This article was voted at the election on March 14, 2000.

ARTICLE 2 To see if the Town will vote to raise and appropriate the sum of five hundred fifty thousand dollars (\$550,000.00) for the construction, installation and equipping of a new water supply well and to authorize the long-term borrowing of no more than five hundred fifty thousand dollars (\$550,000.00) from the State of New Hampshire Drinking Water Revolving Loan Fund pursuant to the terms, rules and regulations administered by the New Hampshire Department of Environmental Services in accordance with RSA 486:14 and 541-A; provided that repayment of fifteen percent (15%) of the principal amount to be borrowed shall be forgiven under the terms of the loan application and the total amount to be repaid shall be borne by water system ratepayers and not the taxpayers of the Town. (RECOMMENDED BY THE SELECTMEN) (\$550,000.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (A 2/3 MAJORITY BALLOT VOTE IS REQUIRED)

Moderator Calvert polled the citizens to allow that the polls be open for one hour but to move on to the next Article earlier.

Article 2 was moved by R. Wentworth and seconded by S. Sweezey to keep the polls open for one hour but to move on the Article 2 earlier.

Discussion on the Article ensued. Dick Quindley explained that the well on Route 140 near the fire station was installed in 1938 and is running near capacity. He further stated that if something was to happen to this well there would be a severe water shortage.

Mr. John DeCoff questioned if the Water Works failed to meet the commitment of the loan if the Town would be held liable?

Selectman Reuben Wentworth stated that the Town of Alton owns the Water Works which is regulated by the Commissioners that if they did fail the Town would assume the responsibility. He further stated that the Water Works has never been in default and did not feel that it would now.

The citizens then went to the polls.

The vote on Article 2 was then challenged. A motion was made by Selectman James Washburn and seconded by Scott Sweezey to revote on Article 2. The motion failed. It was then ruled by the Moderator to recast ballots on Article 2.

Article 2 passed with a vote of 140 in favor and 38 against. A motion was made by Selectman Reuben Wentworth and seconded by Selectman James Washburn to restrict reconsideration.

\$550,000.00 PASSED

ARTICLE 3 To see if the town will vote to send the following resolution to the New Hampshire General Court: "Be it resolved, New Hampshire's natural, cultural and historic resources in this Town and throughout the state are worthy of protection and, therefore, the State of New Hampshire should establish and fund a permanent public/private partnership for the voluntary conservation of these important resources."

Article 3 was moved by Selectman James Washburn and seconded by Reuben Wentworth.

Interim Town Administrator, Andrew Locke explained that the resolution would be sent to the New Hampshire Legislature who are currently working on legislation to provide grants to allow towns to preserve their natural resources. He further stated that this was a non-binding resolution and would not require the Town to spend any money.

State Representative, Stanley Czech stated that he had seen a copy of the proposal and that the chances of Alton seeing any grant money were slim. He further stated that in order for the Town to see any of the money they must write a grant and it would depend on how well the grant was written. He further stated that the Town would be required to pay 40% of the total cost of the grant and asked the citizens where that money would come from?

State Representative, Robert Boyce spoke against the article. He further stated that if passed, the money would come out of the general fund and the State would end up with a budget shortfall.

Dorothy Wentworth stated that even if our Representatives are against this that Wolfeboro received

\$1 million dollars in grants and Laconia is also receiving grant money. She further stated that she thought the Town should try as Towns around us are receiving money.

Conservation Commission Member, Justine Gengras stated that the Town could find matching funds to match state money and that the grant would protect several hundred acres of land. She further stated that the concept was good for Alton as well as other Towns in the State.

A vote was taken and the Article failed.

FAILED

A motion was made by Selectman James Washburn and seconded by Selectman Reuben Wentworth to restrict reconsideration. The motion passed.

ARTICLE 4 To see if the Town will vote to raise and appropriate the sum of nine thousand five hundred dollars, (\$9,500.00), to complete construction of basketball courts at Liberty Tree Park. (RECOMMENDED BY THE SELECTMEN) (\$0.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

The Article was moved by Recreation Director, Kellie Troendle and seconded by Recreation Commission Member, Jay Sydow. A motion was made by Kellie Troendle and seconded by Deborah Burton to amend the Article to read: "To see if the Town will vote to raise and appropriate the sum of five thousand nine hundred dollars, (\$5,900.00), to complete construction of basketball courts at Liberty Tree Park."

Kellie Troendle explained that at Town Meeting last year the Town approved \$8,900 but was not enough to complete the project.

Scott Sweezey stated that the original article last year was for \$8,900, and asked if the Town really needs two basketball courts?

Kellie Troendle stated that she had received a revised estimate this week, and that the court could be built with the requested \$5,900.

A vote was taken on the amendment and passed.

A vote was taken on the amended article and passed.

\$5,900.00 PASSED

Kellie Troendle moved to restrict reconsideration, Jay Sydow seconded and the motion passed.

ARTICLE 5 To see if the Town will vote to raise and appropriate the sum of twenty-three thousand four hundred dollars, (\$23,400.00), for the purchase of a new police cruiser. (RECOMMENDED BY THE SELECTMEN) (\$23,400.00 IS RECOMMENDED BY THE

BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) MAJORITY VOTE REQUIRED

A motion was made by Police Chief Kevin Iwans and seconded by Selectman Washburn. Chief Iwans explained that this is part of the Police Cruiser rotation. The vehicle to be replaced is a 1996 Ford Crown Victoria Interceptor with over 122,800 miles on it.

CIP Committee Member. Alan Sherwood stated that the item was recommended by the CIP.

The article was then voted on and passed.

\$23,400.00 PASSED

A motion was made by Selectman James Washburn and seconded by Scott Sweezey to restrict reconsideration. The motion passed.

ARTICLE 6 To see if the Town will vote to raise and appropriate the sum of nine the sand dollars (\$9,000.00), to purchase an outboard motor for a Public Safety Boat. (SPECIAL WARRANT ARTICLE) (RECOMMENDED BY THE SELECTMEN | \$9,000.00 IS RECOMMENDED BY THE BUDGET COMMITTEE)

A motion was made by Selectman William Ryan and seconded by Selectman Reuben Wentworth. Police Chief Kevin Iwans stated that the Police Department obtained a 21 McKee Craft boat Boston Whaler) through Military Surplus at no cost to the Town. The boat needs a motor. He further stated that the Boat will be used by both the Police and the Land Use & Property Records Departments.

Jay Sydow questioned where the boat would be docked? Chief Iwans stated probably Minge Cove.

Dick Griffin stated that he moved to Alton a couple of years ago because of the low tax rate. He further stated that the reason the tax rate is so low is because of the island properties. He further stated that residents on the island deserve something back for their tax money.

A vote was taken on the Article. The article passed.

\$9,000.00 PASSED

A motion was made by James Washburn and seconded by Scott Sweezey to restrict reconsideration. The motion passed.

ARTICLE 7 To see if the Town will vote to raise and appropriate the sum of eight thousand five hundred dollars, (\$8,500.00), for the purchase of police mobile data terminal communication systems. (RECOMMENDED BY THE SELECTMEN) (\$8,500.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

A motion was made by Chief Kevin Iwaas and seconded by Selectman Hard'd Bothwick. Citer

Iwans explained that this is the 2nd half of a \$17,000 project. Town Meeting funded \$8,500 last year. These units allow Police Officers to gain access to NCIC information, over a secure, private connection. Two cars were done last year, and the other two 2 cars will be done this year. This is supported by grant money and would split to cut the cost.

The article was voted on and passed.

\$8,500.00 PASSED

 $\label{thm:condition} A \ motion \ was \ made \ by \ James \ Washburn \ and \ seconded \ by \ Alan \ Sherwood \ to \ restrict \ reconsideration.$  The motion passed.

ARTICLE 8 To see if the Town will vote to raise and appropriate the sum of thirty thousand dollars, (\$30,000.00), to be added to the Fire Department Equipment Capital Reserve Fund previously established. (RECOMMENDED BY THE SELECTMEN) (\$30,000.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

A motion was made by Dick Quindley and seconded by Reuben Wentworth. Dick Quindley explained that the Fire Department will need to replace Engine 2 in West Alton in 2002, and the Rescue Truck in 2003. These funds will help lessen the impact in those years.

A vote was taken on the article and the article passed.

\$30,000.00 PASSED

A motion was made by Reuben Wentworth and seconded by Scott Sweezey to restrict reconsideration. The motion passed.

ARTICLE 9 To see if the Town will vote to raise and appropriate the sum of ten thousand dollars, (\$10,000.00), to be added to the Fire Department Radio Capital Reserve Fund previously established. (RECOMMENDED BY THE SELECTMEN) (\$10,000.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

A motion was made by Fire Ward, Dick Quindley and seconded by Scott Williams to amend the article to designate the Selectmen as agents to expend. Fire Ward Dick Quindley explained that the Lakes Region dispatch is on a low band frequency. The Fire Department needs new radios by the end of June, 2001 to communicate on the new frequency used by Lakes Region Fire Dispatch. The total cost of the radios is \$40,000. The Fire Department has \$15,192 in Capital Reserve now. Quindley stated that the Irving Oil money might be available for part of the total cost.

A vote was taken on the amendment and passed.

The Article, as amended, reads: "To see if the Town will vote to raise and appropriate the sum of ten thousand dollars, (\$10,000.00), to be added to the Fire Department Radio Capital Reserve Fund previously established, and to designate the Selectmen as Agents to Expend."

A vote was taken and the amended article passed.

\$10,000.00 PASSED

A motion was made by Selectman A. Pete Shibley and seconded by Scott Sweezey to restrict reconsideration. The motion passed.

ARTICLE 10 To see if the Town will vote to establish a Capital Reserve Fund for the purposes of site acquisition and construction of a new Fire Station, and furthermore, to vote to raise and appropriate the sum of ten thousand dollars, (\$10,000.00) to be placed in this fund. (RECOMMENDED BY THE SELECTMEN) (\$0.00 RECOMMENDED BY THE BUDGET COMMITTEE).

A motion was made by Fire Chief, Russell Sample and seconded by Fire Ward, Dick Quindley. Chief Sample further explained that the Fire Department now has the responsibility of medical services. He stated that the current Fire station houses the ambulance.

Discussion ensued as to the relationship of Article 10 and Article 22. Questions centered on the need for a new fire station, the potential location, and appropriateness.

A vote was taken and the article failed.

FAILED

A motion was made by Scott Sweezey and seconded by Virginia Bergeron to restrict reconsideration. The motion passed.

ARTICLE 11 To see if the Town will vote to establish a Capital Reserve Fund for the purchase of a portable pump, and furthermore, to vote to raise and appropriate the sum of five thousand dollars, (\$5,000.00) to be placed in this fund. (RECOMMENDED BY THE SELECTMEN) (\$5,000.00 IS RECOMMENDED BY THE BUDGET COMMITTEE).

A motion was made by Fire Chief Sample and seconded by Fire Ward Dick Quindley. Chief Sample made a motion to amend the article to designate the Selectmen as agents to expend. Dick Quindley seconded, and explained that the pump is needed to fight structure fires from the water. The current pump does not generate enough water pressure to adequately fight fires.

A vote was taken on the amendment and passed.

Discussion ensued as to the cost of the pump, its use, and the use of funds from the 1999 lrving oil

spill.

A vote was taken on the article as amended to read:

"To see if the Town will vote to establish a Capital Reserve Fund for the purchase of a portable pump, and furthermore, to vote to raise and appropriate the sum of five thousand dollars, (\$5,000.00) to be placed in this fund, and to designate the Selectmen as Agents to Expend."

The article passed as amended.

\$5,000.00 PASSED

A motion was made by James Washburn and seconded by Scott Sweezey to restrict reconsideration. The motion passed.

ARTICLE 12 To see if the Town will vote to raise and appropriate the sum of five hundred thousand dollars, (\$500,000.00), to be added to the Highway Reconstruction Capital Reserve Fund previously established. Said amount is to be partially offset by general fund revenues from a Highway Block Grant estimated in the amount of one hundred seventeen thousand six hundred fifty dollars, (\$117,650.00). (RECOMMENDED BY THE SELECTMEN) (\$500,000.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

A motion was made by Selectman James Washburn and seconded by Reuben Wentworth to move the article. A motion was made by Reuben Wentworth and seconded by James Washburn to amend the article to six hundred thousand dollars (\$600,000.00).

Road Agent Ken Roberts stated that the additional funds are needed to reconstruct Fort Point Road in the summer/fall of 2000, and engineering for Old Wolfeboro Road, and Alton Mtn. Road. Fort Point Road is probably going to come in at around \$550,000, which is almost \$300,000 higher than originally expected.

A vote was taken on the amendment and passed.

A vote was taken on the amended article and passed.

\$600,000.00 PASSED

A motion was made by James Washburn and seconded by Reuben Wentworth to restrict reconsideration. The motion passed.

ARTICLE 13 To see if the Town will vote to establish a Capital Reserve Fund for the purposes of updating the Town Parcel Maps and purchasing Aerial Photography, and furthermore, to vote to raise and appropriate the sum of twenty thousand dollars, (\$20,000.00) to be placed in this

fund. (RECOMMENDED BY THE SELECTMEN) (\$0.00 RECOMMENDED BY THE BUDGET COMMITTEE).

A motion was made by Selectman James Washburn and seconded by Selectman Arnold P. Shibley. Planning Director Andrew Locke stated that the Town Parcel Maps do not accurately depict parcels. They also use different scales and cannot be combined with one another. The end product will be digital (computerized) maps, that can be combined with maps that have been created by State & Federal Governments.

Greg Fuller stated that this has been coming to the budget committee for years and again they did not recommend this item. Discussion ensued as to the quality of current maps, the need for new maps, and the cost.

A vote was taken on the Article and failed.

**FAILED** 

A motion was made by Debbie Burton and seconded by Scott Sweezey to restrict reconsideration. The Motion passed.

ARTICLE 14 To see if the Town will vote to raise and appropriate the sum of seventy-five thousand dollars, (\$75,000.00), to be added to the Highway Garage Expansion Capital Reserve Fund previously established. (RECOMMENDED BY THE SELECTMEN) (\$75,000.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

A motion was made by Road Agent Ken Roberts and seconded by Reuben Wentworth. Roberts stated that last year the Town put \$50K into the Capital Reserve, with the remainder to come this year. The \$75K will allow the Town to construct the addition this year. The expansion is needed to protect Highway vehicles and equipment.

A vote was taken on the article and passed.

\$75,000.00 PASSED

A motion was made by Ken Roberts and seconded by Harold Bothwick to restrict reconsideration. The motion passed.

ARTICLE 15 To see if the Town will vote to raise and appropriate the sum of fourteen thousand eight hundred dollars, (\$14,800.00), to make repairs to the Pearson Road Community Center. (RECOMMENDED BY THE SELECTMEN) (\$14,800.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

A motion was made by Selectman Harold Bothwick and seconded by Reuben Wentworth.

Maintenance Supervisor, Pete Rockwood stated that funds would repair the roof and siding at the Pearson Road Community Center and that the work is needed to prevent further deterioration of the building.

Alan Sherwood stated that this was recommended by the CIP Committee.

A vote was taken on the article and passed.

\$14,800.00 PASSED

A motion was made by Selectman James Washburn and seconded by Scott Sweezey to restrict reconsideration. The motion passed.

ARTICLE 16 To see if the Town will vote to raise and appropriate the sum of thirty-five thousand dollars, (\$35,000.00), for water system improvements on Riverlake Street. Said amount is to be offset in its entirety by revenues from fees billed to water users. (RECOMMENDED BY THE SELECTMEN) (\$35,000.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

A motion was made by Water Commissioner, Reuben Wentworth and seconded by Dick Quindley. Water Commissioner Wentworth stated that the appropriation would replace pipeline at the same time that the road is being done and that it would be funded by the water users.

A vote was taken on the Article and passed.

\$35,000.00 PASSED

A motion was made by James Washburn and seconded by Reuben Wentworth to restrict reconsideration. The motion passed.

ARTICLE 17 To see if the Town will vote to raise and appropriate the sum of twenty-five thousand dollars, (\$25,000.00), to reconstruct the Tennis Courts at Liberty Tree Park. (RECOMMENDED BY THE SELECTMEN) (\$0.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

A motion was made by Parks & Recreation Director, Kellie Troendle and seconded by Debbie Burton to move the article. Kellie Troendle moved to amend the article to read: "To see if the Town will vote to establish a Capital Reserve Fund for the reconstruction of the Tennis Courts at Liberty Tree Park, and furthermore, to vote to raise and appropriate the sum of twenty thousand dollars (\$20,000.00) to be placed in this fund." Debbie Burton seconded.

Kellie Troendle stated that the tennis courts at Liberty Tree Park are almost 20 years old, and that the average life span is 15-20 years. The total cost of the project is about \$50,000. The Recreation Commission plans to start a Capital Reserve Fund, with funding of \$20,000 per year for three years.

Discussion ensued as to the ability to charge user fees and adequate parking for the facility.

A vote was taken on the amendment and passed.

A vote was taken on the amended article, with a count of 69 in favor and 60 against. The vote was then challenged and another vote taken. The article as amended passed with 78 in favor and 23 against.

\$20,000.00 PASSED

A motion was made by James Washburn and seconded by Debbie Burton to restrict reconsideration. The motion passed.

ARTICLE 18 To see if the Town will vote to raise and appropriate the sum of twenty thousand dollars, (\$20,000.00), for repairs to the Gilman Museum. Said amount to be offset by \$20,000 from the Gilman Museum Trust Fund. (RECOMMENDED BY THE SELECTMEN) (\$26,165.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

The article was moved by Marybee Longabaugh and seconded by Patricia Rockwood. A motion was made by Marybee Longabaugh and seconded by Patricia Rockwood to amend the article to read: "To see if the Town will vote to raise and appropriate the sum of twenty-six thousand one hundred and sixty-five dollars (\$26,165.00) for repairs and improvements to the Gilman Museum. Said amount to be offset by \$26,165.00 from the Gilman Museum Trust Fund."

A vote was taken on the amendment and passed.

A vote was taken on the amended article and passed.

\$26,165.00 PASSED

A motion was made by James Washburn and seconded by Scott Sweezey to restrict reconsideration. The motion passed.

ARTICLE 19 To see if the Town will vote to raise and appropriate the sum of three thousand dollars, (\$3,000.00), to pay for rent for a Food Pantry. (RECOMMENDED BY THE SELECTMEN) (\$0.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

A motion was made by Selectman A. Pete Shibley and seconded by Selectman Reuben Wentworth. Selectman Wentworth explained that this will pay rent for a Food Pantry at the American Legion Building. Three Churches in Town have gotten together to run the Pantry, and asked the Town to pay for rent. This also helps take the pressure off of welfare.

Budget Committee Member, Anna Griffin explained that the budget committee recommended \$0 as there was no presentation on this item.

Discussion ensued as to welfare and support for community organizations.

A vote was taken and the article passed.

\$3,000.00 PASSED

A motion was made by James Washburn and seconded by Reuben Wentworth to restrict reconsideration. The motion passed.

At 11:00 p.m. Moderator Calvert polled the citizens to see if they would like to proceed with the warrant articles or to recess for the next evening. It was the consensus to remain and continue with the articles.

ARTICLE 20 To see if the Town will vote to establish a "Benefit Pay Trust Fund", as recommended by the Town's independent auditors, and furthermore, to raise and appropriate the sum of fifty thousand dollars, (\$50,000.00), to be placed in the trust fund. Said funds are to be used to pay for benefits accrued by Town employees and redeemed when they leave employment with the Town of Alton, in accordance with the Town Personnel Policy. (RECOMMENDED BY THE SELECTMEN)(\$25,000.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

A motion was made by Selectman William Ryan and seconded by Reuben Wentworth to move the article. A motion was made by William Ryan and seconded by Reuben Wentworth to amend the article to read a "Benefit Pay Expendable Trust Fund."

Selectman Ryan stated that Town employees accrue benefits (sick time, vacation time, etc.), that the Town must pay when the employee leaves. If several long-time employees were to leave at the same time, the Town would be hit with a major cost. These costs then have to come out of the operating budget, limiting the Town's ability to fill a position, and provide services. The Trust Fund would be continuously funded at \$50,000. The total liability of the Town is actually closer to \$80,000.

Discussion ensued. A vote was taken on the amendment and failed.

A motion was made by Alan Sherwood and seconded by Anna Griffin to amend the article to read: "To see if the Town will vote to establish a Benefit Pay Expendable Trust Fund, as recommended by the Town's independent auditors, and furthermore, to raise and appropriate the sum of twenty-five thousand dollars, (\$25,000.00), to be placed in the trust fund. Said funds are to be used to pay for benefits accrued by Town employees and redeemed when they leave employment with the Town of Alton, in accordance with the Town Personnel Policy.

A vote was taken on the amendment and passed.

A motion was made by Ruth Messier and seconded by Debbie Burton to amend the article to \$10,000. A vote was taken on this amendment and failed.

Selectman Wentworth explained that the Town definitely has one employee leaving this year and the Town will have to expend approximately \$15,000 in benefits for that person.

A vote was taken on the article, as amended: "To see if the Town will vote to establish a Benefit Pay Expendable Trust Fund, as recommended by the Town's independent auditors, and furthermore, to raise and appropriate the sum of twenty-five thousand dollars, (\$25,000.00), to be placed in the trust fund. Said funds are to be used to pay for benefits accrued by Town employees and redeemed when they leave employment with the Town of Alton, in accordance with the Town Personnel Policy." The amended article passed with a standing vote of 56 in favor and 47 against.

\$25,000.00 PASSED

A motion was made by Jim Washburn and seconded by William Ryan to restrict reconsideration. The motion passed.

ARTICLE 21 To see if the Town will vote to raise and appropriate the sum of ten thousand dollars, (\$10,000.00), to repair/replace the granite steps and wall at the Town boat launch in Alton Bay. (RECOMMENDED BY THE SELECTMEN) (\$10,000.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

A motion was made by Reuben Wentworth and seconded by Scott Sweezey to move the article. Maintenance Supervisor. Pete Rockwood explained that last summer a person was injured while using the granite steps, and that they need to be replaced.

A vote was taken and the article passed.

\$10,000.00 PASSED

A motion was made by Mark Divito and seconded by Scott Sweezey to restrict reconsideration. The motion passed.

ARTICLE 22 To see if the Town will vote to raise and appropriate the sum of forty thousand dollars, (\$40,000.00), for the purposes of conducting investigative studies of sites for a Multi-use Municipal Facility. Possible uses include, but are not limited to, a Fire Station, Police Station, Highway Garage, and Municipal Offices. (RECOMMENDED BY THE SELECTMEN) (\$0.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

A motion was made by A. Pete Shibley and seconded by Reuben Wentworth to amend the article

to \$20,000. Selectman Shibley requested that Debbie Burton explain the article. Burton explained that the School Board approached the Selectman to support this article for testing of a potential school site which the Town could also use.

Discussion ensued. It was questioned whether this article is appropriate on the Town Warrant, since a school study should only be discussed at a School Meeting. Selectman Wentworth stated that the property in question could benefit the Town if not appropriate for the school. Al Gengras requested that the motion to amend be withdrawn. Pete Shibley withdrew his motion and Reuben Wentworth withdrew his second.

A motion was made by Al Gengras and seconded by Pete Shibley to amend the article to read: "To see if the Town will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000.00) for the purposes of conducting investigative studies in a joint venture with the school Board, of sites for a school."

Mr. Mike Nickerson questioned if this amendment was legal? Attorney Sessler stated that the Town could not raise money for the School, except at the School Meeting.

The amendment was withdrawn and a vote was taken on the first amendment and failed with a vote of 40 in favor and 46 against

**FAILED** 

A motion was made by Gregory Fuller and seconded by Scott Sweezey to restrict reconsideration. The motion passed.

ARTICLE 23 To see if the Town will vote to establish a "Housing Demolition Trust Fund", and furthermore, to raise and appropriate the sum of fifteen thousand dollars, (\$15,000.00), to be placed in the trust fund. Said trust fund is to be used to pay for demolition costs associated with the condemnation of unsafe buildings located within the Town of Alton, as determined by the Selectmen, upon a recommendation of the Code Official. (RECOMMENDED BY THE SELECTMEN) (\$0.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

A motion was made by William Ryan and seconded by James Washburn to move the article. A motion was made by William Ryan and seconded by James Washburn to amend the article to an "Expendable Trust Fund".

Ruth Messier explained that the budget committee did not recommend this article as there was no backup. Code Official and Building Inspector Brian Boyers explained that the Town will periodically have to condemn a building for safety and health reasons. However, there are no funds available to have the building removed.

Mr. DeCoff stated that the buildings do not need to be demolished but could be upgraded or the Town could attach a lien without demolishing. Reuben Wentworth questioned what right does the Town have to tear something down on personal property?

Brian Boyers stated that in most cases they are not fit to live in and cannot be repaired. William Ryan stated that these buildings need to be condemned as they are deplorable, unsafe, unsanitary and it would be totally irresponsible by not acting on these types of situations.

A vote was taken on the amendment and passed.

A vote was taken on the amended article and failed.

**FAILED** 

A motion was made by Scott Sweezey and seconded by Debbie Burton to restrict reconsideration. The motion passed.

ARTICLE 24 To see if the Town will vote to raise and appropriate the sum of three thousand two hundred forty-one dollars, (\$3,241.00), in support of the Alton Youth League. (RECOMMENDED BY THE SELECTMEN) (\$0.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

A motion was made by Reuben Wentworth and seconded by Harold Bothwick to move the article. Recreation Director Kellie Troendle explained that this will help purchase equipment for Little League baseball/softball, which is one of the biggest draws for summer youth activities. The equipment will be owned by the Town, and checked out to the Alton Youth League each year.

Anna Griffin stated there was no presentation on this item. Debbie Burton asked if there was anyone in attendance to represent the AYL. There was no response.

A vote was taken on the article and failed.

**FAILED** 

A motion was made by Debbie Burton and seconded by Scott Sweezey to restrict reconsideration. The motion passed.

ARTICLE 25 To see if the Town will vote to raise and appropriate the sum of twenty-two thousand two hundred dollars, (\$22,200.00), to pay for the Town of Alton's apportionment of the Lakes Region Mutual Fire Aid Association Capital Improvement Project. (RECOMMENDED BY THE SELECTMEN) (\$22,200.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

A motion was made by Dick Quindley and seconded by Fire Chief Russ Sample. The article passed

with no discussion.

\$22,200.00 PASSED

A motion was made by Dick Quindley and seconded by Russ Sample to restrict reconsideration. The motion passed.

ARTICLE 26 To see if the Town will vote to raise and appropriate the sum of three million one hundred twenty-five thousand seven hundred ninety-four dollars, (\$3,125,794.00), to defray anticipated charges arising as part of the Town's operating budget for the current year. Said amount does not include any funds for special warrant articles addressed separately. (RECOMMENDED BY THE SELECTMEN) (\$3,111,410.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (MAJORITY VOTE REQUIRED)

A motion was made by William Ryan and seconded by James Washburn to move the article. A motion was made by William Ryan and seconded by James Washburn to amend the article to \$3,201,023. This amendment was withdrawn.

A second amendment was offered by William Ryan and seconded by James Washburn to amend the article to \$3,216,023. Selectmen Ryan explained the increases stating that \$1,434 was a computational error, \$57,131 increase in heating and gas, \$4,400 in Computers, \$12,264 with the AFSCME Union Contract and \$15,000 benefit pay for the Solid Waste Center.

It was questioned whether the voters were able to vote on the AFSCME Contract, and the benefit pay for the Solid Waste Center.

Discussion ensued

Selectman Ryan withdrew the second amendment, and offered a third amendment, to raise and appropriate \$3,188,759. Items to be added to the budget address a \$1,434 computational error, \$57,131 for fuel and \$4,400 for computers. A vote was taken on the amendment and passed.

A motion was made by Scott Sweezey and seconded by Alan Sherwood to amend the article to \$3,172,881.00. A vote was taken on the amendment to \$3,172,881.00 and failed with a vote of 51 in favor and 53 against.

A motion was made by Dick Quindley and seconded by Fire Chief Sample to amend the article to add \$38,297.00 to the Fire Department Operating Budget. A vote was taken and the amendment passed.

A vote was taken on the amended article of \$3,227,056 and passed.

\$3,227,056.00 PASSED

A motion was made by Reuben Wentworth and seconded by Harold Bothwick to restrict reconsideration. The motion passed.

ARTICLE 27 To see if the Town will vote to raise and appropriate the sum of seven thousand four hundred dollars, (\$7,400.00), to construct a skateboard facility at Liberty Tree Park Recreation Area. (BY PETITION) (NOT RECOMMENDED BY THE SELECTMEN) (\$0.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

A motion was made by Monique Tenander to allow a minor to speak on behalf of this article. The motion passed.

Nathan Alden explained that this would be good for the community. John Bolster, a new resident to the community stated that this was a good opportunity to send a message to the youth and young people of this town.

Monique Tenander stated that the old basketball courts would be used for the skateboard park and that it would give the kids a place to go to skateboard instead of around town and that this would be a one time cost.

Tom Masacheck questioned the Town's liability. Recreation Director, Kellie Troendle stated that the NH Municipal Association insurance would cover this facility.

A vote was taken on the article and passed.

\$7,400.00 PASSED

A motion was made by James Washburn and seconded by Harold Bothwick to restrict reconsideration. The motion passed.

ARTICLE 28 To see if the Town will vote to raise and appropriate the sum of one hundred seven thousand dollars (\$107,000.00) to purchase and equip a new Highway Department dump truck to replace the 1984 Mack dump truck; and furthermore to authorize the Selectmen to dispose of the 1984 Mack by trade-in, sale or as otherwise deemed to be in the best interest of the Town. (BY PETITION) (NOT RECOMMENDED BY THE SELECTMEN) (\$0.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

A motion was made by Highway Agent Ken Roberts and seconded by Mark Divito to move the article. A motion was made by Ken Roberts and seconded by Mark Divito to amend the article to \$39,000 with the balance to come from the Highway Department Equipment Capital Reserve Fund. Highway Agent Roberts explained that the truck is needed now.

The amendment was voted on and passed.

The article as amended passed with no discussion.

\$39,000.00 PASSED

A motion was made by Mark Divito and seconded by Ken Roberts to restrict reconsideration. The motion passed.

ARTICLE 29 To see if the Town will vote to raise and appropriate the sum of three thousand dollars, (\$40,263.00), in support of the following community organizations:

A.	Community Health & Hospice, Inc
B.	Community Action Program of Belknap and Merrimack Counties, Inc \$6,124.00
C.	Lakes Region Planning Commission
D.	American Red Cross
E.	VNA-Hospice of Southern Carroll County and Vicinity, Inc
F.	New Beginnings - A Women's Crisis Center
G.	Youth Service Bureau's Court Diversion Program
Total	\$40,263.00

(NOT RECOMMENDED BY THE SELECTMEN) (\$0.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

A motion was made by James Washburn and seconded by Harold Bothwick to move the article. A motion was made by James Washburn to amend the article to exclude C: Lakes Region Planning Commission from the article and to raise and appropriate thirty-five thousand and ninety-four dollars (\$35,094) for the remaining community organizations.

A vote was taken on the amendment and passed.

The article as amended passed with no discussion.

\$35,094.00 PASSED

A motion was made by James Washburn and seconded by Harold Bothwick to restrict reconsideration. The motion passed.

ARTICLE 30 To see if the Town will vote to raise and appropriate the sum of seventy-five thousand dollars, (\$75,000.00) for the purpose of installing proper drainage and paving on Mauhaut Shores Road, approximately 3,175 feet long. (BY PETITION) (NOT RECOMMENDED BY THE SELECTMEN) (\$0.00 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

The article was moved by Brian Fortier and seconded by John Beckett. Brian Fortier stated that Mauhaut Shores Road needs to be done over.

A vote was taken on the article and failed.

**FAILED** 

A motion was made by James Washburn and seconded by Scott Sweezey to restrict reconsideration. The motion passed.

ARTICLE 31 Shall we vote the provisions of RSA 31:95-C to restrict the revenues from Ambulance billing to expenditures for the purpose of Ambulance Replacement when needed and replace Ambulance Equipment when needed? Such revenues and expenditures shall be accounted for in a special fund to be known as the Ambulance Replacement and Equipment Fund, separate from the General Fund. Any surplus in said fund shall not be deemed part of the General Fund accumulated surplus and shall be expended only after a vote of the Town Meeting to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of revenues. (RECOMMENDED BY THE SELECTMEN) (SPECIAL WARRANT ARTICLE) (MAJORITY VOTE REQUIRED)

The article was moved by Reuben Wentworth and seconded by Harold Bothwick.

Dick Quindley explained that the funds generated by the Ambulance would go only toward equipping, repairing and replacing the ambulance.

The article passed with no further discussion.

PASSED

A motion was made by James Washburn and seconded by Reuben Wentworth to restrict reconsideration. The motion passed.

ARTICLE 32 To see if the Town "would like the Board of Selectmen to change School Street to a one way street between the hours of 7:30 - 8:30 a.m. and 2:30 - 3:00 p.m., Monday through Friday, on school days. It needs to be a one way Street going from Church Street to the Alton Post Office. From there on, it can stay a two way street from the Post Office to Main Street. Due to the amount of traffic because of the school, it has become seriously dangerous leading to potential injury. As concerned parents and taxpayers/voters we would like this to happen as soon as possible. Thank you." (BY PETITION)(MAJORITY VOTE REQUIRED)

A motion was made by A. Pete Shibley and seconded by Mark Divito to move the article. A motion was made by Laurie Boyce and seconded by Mr. Griffin to amend the article to read "... between the hours of 7:30-8:00 a.m. and 2:30-3:00p.m."

The Highway Agent and Police Chief recognized the problem, but raised concerns with the proposal as presented. Roberts noted that the Selectmen and School Board will review changes to School Street.

The article failed with little discussion.

**FAILED** 

A motion was made by James Washburn and seconded by Scott Sweezey to restrict reconsideration. The motion passed.

ARTICLE 33 To hear reports of any committees, boards, trustees, commissions, officials, agent or concerned voters, and vote to accept same. Furthermore, to conduct any other business that may legally come before said meeting.

No action was taken on Article 33.

Christen Whales

Tisa Waterman

A motion was made by Mark Northridge and seconded by Robert Calvert to adjourn at 1:45 a.m. on Thursday, March 16, 2000. The motion passed.

Respectfully submitted,

Christine Whalen, Clerk

A True Copy Attest:

#### MINUTES OF THE 2000 SPECIAL TOWN MEETING OCTOBER 11, 2000 ALTON SCHOOL MUSIC ROOM

Pursuant to the forgoing Warrant Article, the voters met at the Alton School Music Room on Wednesday, October 11, 2000 at 7 o'clock in the evening to act on the following article. The Moderator, Mark Northridge, called the meeting to order promptly at 7:00pm. Mr. Northridge introduced the Board of Selectmen, Chairman James C. Washburn, Arnold P. Shibley and Stephan E. McMahon, Town Administrator Raymond Houle, Jr. and Town Clerk Lisa Waterman.

The Moderator read the Rules of the Meeting. A vote was taken to allow non-residents to speak at the meeting. The vote passed.

The Moderator read the article as follows:

ARTICLE 1 To see if the town will vote to approve the cost items included in the Collective Bargaining Agreement reached between the Alton Board of Selectmen and the American Federation of State, County and Municipal Employees, Local 534, which calls for funding in the amount of two hundred fifty-five thousand, two hundred and eight dollars (\$255,208.00). The total estimated increase from FY 1999 to FY 2000 is \$26,287. The total estimated increase from FY 2000 to FY 2001 is \$14,165. The total estimated increase from FY 2001 to FY 2002 is \$10,736. Said sum of \$26,287 for FY 2000 to be included as part of the FY 2000 Operating Budget. Said cost items represent funding for the first year of a three-year agreement. (RECOMMENDED BY THE SELECTMEN). (RECOMMENDED BY THE BUDGET COMMITTEE).

The article was moved by J. Washburn and seconded by A. Shibley.

An explanation of the article was provided by R. Houle. The Town Administrator explained the overall financial impact over a three-year period. Several questions were asked and citizens spoke both in favor of and opposed to the Article.

Upon a show of hands called for by the Town Moderator, it was ruled that the Article PASSED.

A motion to adjourn was made by Chairman J. Washburn and seconded by Selectman A. Shibley. The Special Town Meeting adjourned at 7:34pm.

Respectfully Submitted,

Lisa Waterman Town Clerk

A True Copy Attest: Lisa Waterman, Alton Town Clerk

#### REPORT OF THE BOARD OF SELECTMEN

As we welcome this millennium year, we look forward to new challenges. In 2000 we received several requests and various ideas presented to the Selectmen by many different groups and individuals, the Board continually strives to resolve the issues and concerns brought before us in serving the entire Town's best interest. This task is not always easy, but is accomplished although some of our decisions may be unpopular to a few.

In 2000 Andrew Locke served as our Interim Town Administrator until Raymond Houle accepted the position in June. However in December Mr. Houle resigned and Stanley Czech generously agreed to serve as our Interim Town Administrator until another administrator is hired. A team of volunteers served on a search committee to review applications and will recommend selection of the best qualified individual as a Town Administrator.

Our Planner Director also left in 2000, leaving a void in the Land Use and Property Records Department. A search committee has been appointed and is reviewing applications. In the meantime, our staff at the Town Hall has been filling in valiantly to meet our citizens needs until this position is filled.

The Administrative Services Department was merged into the Parks and Recreation\ Maintenance Department and in 2001 this department will occupy the former Alton Volunteer Ambulance Service building on Main Street.

The tradition of extending the Boston Post Cane was continued by presenting the cane to Ellen MacElroy, our Town's oldest citizen.

In May, the St. Joan of Arc Church was destroyed by fire. The Town lost an historic building but our community rallied to meet the needs of the parishioners and Father Wegman. The church services are continuing at the Meeting House on Main Street. An example of cooperation in Alton.

We lost several civic-minded citizens including Nancy Moore, Steve Rollins, George W. Stone Jr. and Bob Calvert, all left a legacy and that will be remembered. They will be sorely missed.

A site for school purposes was acquired on Route 28S as a result of voter action.

During the Holidays the Town celebrated the first annual *Light up Night*, *Yuletide in Alton*, sponsored by Parks & Recreation, it brought about a spirit of comradery and participation from Town departments and organizations creating a successful event for the public.

Looking ahead in the coming year, the pojects involving sidewalk reconstruction, downtown revitalization, implementation of E-911, are some of the challenges facing the Board in 2001.

The Selectmen are grateful for the many dedicated townspeople serving on various committees, boards and agencies. We appreciate the hard work and time of each member and realize there is always the need for more volunteers to come forward as our efforts continue in the betterment and future growth of the Town. We urge and encourage the spirit of volunteerism. With your help Alton can become the best Town in the Lakes region.

We always welcome your involvement and input. We urge you to attend or view our meetings, and the annual Town Meeting, to vote in elections, Town Meeting and express your views, your input is valuable to us.

In closing I reiterate the expressions and feelings of our prior Boards of Selectmen, that still generate from us today, the Town has an extraordinary sense of community, a Town where it is a pleasure to reside, raise a family, enjoy the natural beauty, and recreational areas; and where our citizens band together. We are fortunate indeed to call Alton our home.

Respectfully submitted,

Jim Washburn, Chairman Alton Board of Selectmen

#### REPORT OF THE TOWN ADMINISTRATOR

The year 2000 in Alton, NH was certainly a memorable year and a most unusual one as well. I can remember the 1999 -2000 New Year's Eve waiting to see what Y2K surprises might be in store for us and how it would impact our community. If you remember, it was a big "dud". Nothing happened and we all went about our business as usual. Well, almost!

Andrew Locke our Planner Director also served as Interim Town Administrator. Not an easy job(s) to be sure, but Andy kept things on track while the Town paid to hire a fully qualified Town Administrator. Finally, in early summer, the Board of Selectmen decided to hire Ray Houle. Mr. Houle resigned after a short time, and, then of course there was me. Chairman Jim Washburn asked if I would take the job on a part-time basis if offered. When the Selectmen offered, I accepted. Fortunately, during December and January not much was happening in the State Legislature so I could devote a lot of time to the job, but I had forgotten how much work there was to do during this time, what with budgets, town report, town audit and finding a new Town Administrator. It has been a bit busy here in the Town Hall.

In 2000, as in previous years the Town of Alton was tested and again we passed with flying colors. We have every reason to be proud of citizens of this community. The devastating loss of the St. Joan of Arc Church to a fire was not just the loss of a building, but we suffered a loss to the community, a tear in the fabric of our society. Think of it, even though we may not have been members of that congregation, or any congregation, "the church" is an inviolate institution, every community has one they are always there, and they are landmarks.

St. Joan of Arc was special to all of us. The famous altar railing given by Al Jolson gave this little church a place in the history books, but then, so did the fire! The press declared the loss of the church as one of the top ten media events of the year. We can verify that, because we know how it effected us, but we accept it and move on, just like we did after the dam breach, the ice storm, and after that memorable Fourth of July weekend when the oil tanker truck turned over at the traffic circle. This is 2001 and we are moving on again, that's what I like about Alton.

Respectfully submitted,

Stanley E. Czech, Town Administrator

#### REPORT OF THE WELFARE OFFICER

Despite our State economy, applications for Town assistance are a daily occurrence in our office. In 2000 we processed thirty-seven new applications, and continue to assist existing welfare clients. We estimate there are fifty families now eligible for assistance.

We give referrals to many outside agencies, including the Alton Community Services Program, local churches and organizations, not only because of our budget constraints but because some of these individuals cannot meet eligibility requirements. We appreciate these agencies as an alternate resource.

The Heidke Trust Fund is available to our elderly citizens. If you know of any citizens who could benefit from this program, (65 or older), please contact me. Although this office administers the paperwork, a person does not have to be on welfare to qualify. All applications are treated in a confidential manner and guidelines are available in this office. We extend our gratitude to the homemakers and healthcare providers working within the HeidkeTrust this past year, through your help and kindness our senior citizens receive the quality care they need, enabling them to remain in their own homes.

This department and the Alton Community Services Program(ACSP) strive to meet the requests of all those who come in for assistance, if you have any questions or know of someone who cannot meet their basic needs, I urge you to call ACSP at 875-CARE or me at the Town Hall.

We are thankful to everyone who has helped our clients and especially to those of you who volunteered, to Operation Blessings, the Mrs. Santa Fund, the American Legion and for all the donations received from our caring citizens in 2000.

#### SUMMARY OF FINANCIAL ASSISTANCE PROVIDED IN 2000

Housing	\$9543.94
Food	3129.92
Fuel	2639.69
Electric Utility	2168.96
Miscellaneous	1152.78
TOTAL	\$18,6 35.29
Heidke Fund	\$17,352.33
Alton Community Services Program	\$ 2,700.00

Respectfully submitted,

Patricia A. Rockwood, Welfare Officer

#### REPORT OF THE TOWN CLERK

I would like to take this opportunity to thank you for electing me as Town Clerk. It has been a very busy and informative year! Marie Richardson, Deputy Town Clerk and I continue to register and title motor vehicles and supply passenger, trailer, motorcycle, tractor and agriculture plates to complete your registrations in a one stop service. Due to NH registration laws we are unable to complete certain transactions, but always come to see us first before heading to a state office.

Renewal letters are sent out on a monthly basis to enable you to register your vehicles by mail.

Some of the other functions performed in the Town Clerk's office include marriage licenses, vital statistics, town records, voter registration and absentee ballot applications, elections, UCC's, IRS and other liens, dredge and fill applications, aquatherm and pole permits, oaths of office and the sale of landfill permits. Marie and I also issue dog licenses which are due April 30<sup>th</sup> of every year. I provide Notary Public services and also serve as Justice of the Peace.

#### Revenues for 2000

Number of Motor Vehicle Registrations Issued:	6,809	\$657,601.50
Titles:		2,390.00
Decals:		14,977.50
Vital Statistics:		3,226.00
UCC's:		3,248.55
Miscellaneous:		1,787.56
Number of Dog Licenses Issued:	887	6,846.00
Total Amount of Fees Collected		\$690,077.11
Total Amount Remitted to Treasurer		\$690,077.11

The Town Clerk's office hours are 8:30 - 4:30 Monday through Friday and the direct telephone number is 875-2101. Please feel free to call with any questions. Marie and I are happy to be of any assistance to you.

Respectfully submitted,

Lisa Waterman, Town Clerk

#### INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen Town of Alton Alton, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Alton as of and for the year ended December 31, 2000 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Alton has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Alton as of December 31, 2000, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Alton taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Alton. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

#### REPORT OF THE PLANNING BOARD

As the year 2000 drew to a close, a Planning Director Search Committee was once again trying to fill this important position. In late fall Andy Locke, former Planning Director, decided to join the private sector and pursue his interests in graphical information systems. At about the same time Bonnie Dunbar stepped down as Planning Board Chair due to an extended planned absence from Town. Both Andy and Bonnie have been sorely missed for their knowledge and their leadership. In the interim, the excellent staff in the Planning and Land Use Office has been invaluable in helping to guide the new Planning Board Chair.

While 2000 started out with good intentions to make progress in updating our regulations and in considering some zoning updates, the reality of a heavy caseload and loss of the Planning Director resulted in little progress in these areas. Goals for 2001 are: (1) update of subdivision/site review regulations; (2) update the Transportation section of the Master Plan with consideration of road impact fee regulations and (3) zoning overhaul for improved understandability and consistency. Now if we could just find that Planning Director.......

The Planning Board really did have a heavy caseload in 2000. Fourteen subdivision applications were approved creating a total of 49 new lots. In addition, the board conducted 4 conceptual reviews of proposed subdivisions and approved 4 boundary line adjustments. The Board also reviewed and approved 5 commercial site plans, all for changes to existing activities. CLD Engineering has continued to assist the Board in evaluating the engineering aspects of subdivisions and site plans.

The Planning Board again developed a six year Capital Improvements Plan (CIP). This long term look at both Municipal and School District capital needs helps avoid spending spikes by smoothing spending over the years. The CIP is used as an input to the Selectmen, School Board and the Budget Committee in their development of annual budgets. Excellent participation from all Town Departments and the School Superintendents Office resulted in a CIP that well reflects most anticipated capital expenditures out through 2006.

During 2000 three new alternate members joined the Planning Board. This is an excellent way for interested citizens to get involved in Town activities. I thank these new members and all the regular members for their support and dedication to the Town of Alton.

Respectfully submitted,

Alan Sherwood, Planning Board Chair

#### REPORT OF THE CODE OFFICIAL

The year 2000 was another busy building year for the Town. The total number of building permits was up to 275, an increase of 8 over last year. New house starts were again at 67, this includes one 4 family and one 2 family. This gives the town a three year total of 173 new homes. In addition to the single family homes there were five manufactured homes this year. This brings the total of seventy-six new dwelling units to the town this year.

The breakdown of the 275 building permits is as follows: sixty-seven new homes, five manufactured homes, four seasonal cottages, thirty-nine additions, twenty-seven garages, twenty-eight sheds and barns, thirty-eight remodeling permits, thirty-one decks and docks, and thirty-six dock repair.

#### PERMIT STATISTICS BY CATEGORY

	1998	1999	2000
BUILDING	260	267	275

Respectfully submitted

Brian Boyers, Code Official

#### REPORT OF THE LAND USE AND PROPERTY RECORDS DEPARTMENT

With the close of 2000, the Town saw the departure of the Town Planning Director, Andrew Locke. During the year of 2000 the Town experienced a vacancy in the Town Administrator's office. Andy stepped in as Alton's Interim Town Administrator, and performed the very difficult tasks of compiling the Budget and getting ready for the Town Meeting for the Year of 2000. He also performed his job of being Town Planning Director at the same time. Andy resigned in mid-October to work in the private sector. This department is experiencing a very difficult void without a Planning Director, which we sincerely hope will be filled in the near future.

At the end of the year this department was able to set up a computer station for the use of the many Tax Payers, Appraiser, and General Public who seek assessing information from our department. This will help to relieve the general interruptions which we all experience. Please come in an help yourselves. Remember, there will be someone here to assist you, if you are unable to find the information you are looking for.

Also, remember that this department consists of the Planning, Zoning, Building, Assessing, Conservation and Timber. We are here to assist you with your applications, permits and information.

The following report shows the caseload for the Assessing Agent and Clerical Staff for the year of 2000.

PROPERTY OWNERSHIP TRANSFERS	566
ABATEMENT APPLICATIONS	31
NOTICE OF INTENT TO CUT WOOD OR TIMBER	43
NOTICE OF INTENT TO EXCAVATE EARTH	12
ASSESSED VALUE INCREASE FOR TAX YEAR 2000	\$12,895,306

The Planning, Zoning, Building and Wetlands, statistics may be found in the Reports of the Planning Board, Code Official and Conservation Commission.

Thanks to Brian, Nancy and Tammy the staff of the Land Use and Property Records Department. Also, thanks to all of our Elected Officials and Volunteer Committee members who give of their time to make Alton a better place to live.

The roll of this department is to assist and serve the people of the Town of Alton.

Respectfully submitted,

Diantha S. Moulton Office Manager

#### REPORT OF THE TOWN FORESTER

The Intent to Cut Wood or Timber Applications for the Tax Year 2000/2001 totaled 30. This reflects a fewer number of timber cuts in the Town of Alton, in contrast to the Year 1999/2000, which totaled 38.

The analysis of the harvested species is as follows:

Species	1999/2000	2000/2001
White Pine	1,924.495 MBF	1,681.730 MBF
Hemlock	173.540 MBF	128.077 MBF
Red Pine	23.470 MBF	87.048 MBF
Hard Maple	130.890 MBF	79.245 MBF
Spruce/Fur	-0- MBF	57.706 MBF
White Birch	68.150 MBF	85.271 MBF
Yellow Birch	37.407 MBF	37.535 MBF
Oak	492.970 MBF	492.155 MBF
Ash	49.805 MBF	59.580 MBF
Beech/Soft Maple	94.120 MBF	123.295 MBF
Pallet/Tie	398.747 MBF	289.677 MBF
Other	50.00 MBF	-0- MBF
Pulp	2570 Tons	3246 Tons
Pulp	1889 Cords	3058 Cords
Chips	1514 Tons	2941 Tons
Chips	800 Cords	-0- Cords
Birch Bolts	-0-	2100
Cord Wood	458 Cords	188 Cords

I am available to assist the Taxpayers and/or Loggers, who may need help with an Intent to Cut Wood or Timber Application, or have a question concerning a logging operation.

Please remember that once an Intent to Cut Wood or Timber application is submitted to Land Use and Property Records Department, the Selectmen must vote to approve it before the operation can begin.

According to RES 79-A:4 I a property must be comprised of a minimum of 10 acres in order to qualify for the Current Use Program. New applications must be submitted by the deadline of April 15<sup>th</sup> to the Land Use and Property Records Department.

Respectfully submitted,

Peter Farrell, Town Forester

#### REPORT OF THE ALTON CONSERVATION COMMISSION

The Alton Conservation Commission is pleased to report its progress for the year 2000. The Commission has been extremely busy this year, as the strong economy has driven a number of significant subdivisions within the Town. Much of our time has gone into the review and investigation of these proposals before the Planning Board. This review has been and will continue to be a review of the impacts to Alton's wetlands, steep slopes, and other natural resources. The Commission also reviewed 55 Wetland Applications and provided local input to the New Hampshire Department of Environmental Services - Wetlands Bureau.

The Lake Winnipesaukee Association (LWA) presented Alton (and other lakeside communities) with an opportunity to hire an Americorps Service member to work on environmental initiatives that cannot be accomplished by local staff members and volunteers. LWA obtained a grant for this program that covers the majority of the funding with a small percentage funded by the town. The Commission voted to expend conservation funds to take advantage of this opportunity. Hiring is underway to fill this position. Once hired, the individual will work primarily on a natural resource inventory and environmentally-oriented public outreach programs.

Charles and Sandy Westen generously donated a conservation property located in the Foss Meadow near Alton's Town Forest. On behalf of the Town, we thank the Westen's for their generosity. The Commission hopes to build on this easement to create a greenway that connects the Town Forest to this parcel and others in the area. Alton's Highway Department vastly improved the parking area for the town forest. Additionally, parking lots for both the Town Forest as well as Gilman's Pond are being plowed making both areas available for winter recreation. The Commission thanks the Highway Department for continued efforts to make Alton's conservation land available for public access. The Town also received an easement for a large wetland located in the subdivision approved on rum point.

This fall, the Commission conducted an educational and field program for the Alton Central School's enrichment program. Laura Dwyer organized the fourth and fifth grade enrichment classes for this effort. Cindy Balcius provided an educational presentation on the subject of wetlands and Purple Loosestrife, an invasive wetland species. This presentation was followed by a field visit to remove purple loosestrife seed pods in an area currently experiencing this problem. Additional work is planned for the spring to pull root systems and introduce native species favorable for the area. The Commission continued its efforts with Household Hazardous Waste Day and provided easement monitoring for conservation land in Town.

We were fortunate to add a new member this year. Her name is Cindy Balcius. Cindy is both a wetland scientist and a soil scientist - important skills needed in the protection of Alton's natural resources. We welcome Cindy to the board.

Our sincere thanks go out to the Land Use and Property Records Department staff: Nancy DeCoteau, Diantha Moulton and Brian Boyers for their support. Their assistance is crucial to our efforts.

Respectfully submitted,

Lisa Erickson-Harris, Chairman

### REPORT OF THE ZONING BOARD OF ADJUSTMENT

The year 2000 brought 11 cases to the Zoning Board of Adjustment.

We heard two administrative appeals, one was granted and one denied. Of the five Special Exceptions heard; 3 were granted, 1 withdrew and 1 is still pending.

There were four requests for variances brought before the board, 2 were granted and 2 denied.

The Land Use and Property Records Department makes our job a lot easier. They are responsible for mailings, posting notices, filings, etc. Thank you to Nancy Decoteau for the accurate minutes and preparation of the meetings.

Although the Board at present has two alternate members, we are looking for more. If you are interested in serving as a volunteer, please inquire at the Town Hall.

Respectfully submitted,

Frances Washburn, Chairman

#### REPORT OF THE RECREATION DIRECTOR

The Parks and Recreation - Grounds and Maintenance Department is located on Route 11 across from Levey Park. The Department is responsible for organizing and implementing all of the Town's programs, activities and special events, care and maintenance of Town buildings and beautification of parks, recreation areas and green spaces. The Department employs a full-time Recreation Director, two full-time personnel for grounds and maintenance and three seasonal lifeguards. Making the Town of Alton a beautiful community to live, visit and enjoy is our goal, we strive to provide excellent quality programs, and activities to keep the Town buildings and park and recreation areas looking their best. Seasonal brochures are printed quarterly and contain current information on programs, activities and special events. You can register for a program in person, by mail or call to have a registration form sent to you. Drop by anytime to see what is going on and if you have an idea to share, please let me know.

The Parks and Recreation Department continues to expand with new and innovative programs. Participation in the National Recreation and Park Association Internet Resource Program and attendance at state and regional conferences have brought new ideas and creative programing to Alton. Residents of all ages are able to benefit from the efforts of the Parks and Recreation Department. Many people are experiencing the importance of parks and recreation as an essential part of life and the benefits the Department provides including providing places to enjoy nature, the outdoors and waterfront areas; teaching vital life skills (like swimming, exercise, theater, tennis, soccer and basketball): promoting active and healthy lifestyles; increasing tourism and community pride, boosting the economy and making memories with family and friends.

In 2000 the Alton Parks and Recreation Department sponsored sixty two programs and events. Figures show an increase in the number of programs offered and in participation over last year. In 2000, 23,400 people participated in programs and 6,022 people participated in Alton Parks and Recreation sponsored programs and events. Of the sixty-two programs, the Recreation Director led or instructed forty-four programs.

Projects the Parks and Recreation Commission have been working on include: developing a Recreation Master Plan and plan for multi-use trails, increasing active programs for adults, seniors and youth and the construction of two basketball courts and a skateboard park facility at Liberty Tree Park.

The Parks and Recreation Department has set many challenging goals for 2001. The goals include: beautification of all Town parks, recreation areas and open spaces, increasing the quality and availability of programs for participants of all ages, creating a web site for the Department, refurbishing the Pearson Road Community Center and seeking grant funds for parks, trails and recreation playing fields.

The Department is an active member of the New Hampshire Recreation and Park Association, a state organization committed to Parks and Recreation support, issues and values and is also a member of the National Recreation and Park Association and the New England Park Association. Participation in these Association's bring new and creative programs and special events to Alton in addition to information on trends, lifestyles and issues facing the Recreation profession.

I would like to thank the Grounds and Maintenance Staff, Harry Waterman and Brandon Gallion, for all of their hard work in making the Town of Alton look great and the Highway and Water Department's for their assistance with our Town projects. I would also like to recognize and thank the many volunteers especially the Alton Garden Club, Youth Soccer and Basketball Coaches and the Parks and Recreation Commission members: Jack Bernard, William Lionetta and Jay Sydow who through their ideas, energy and commitment bring valuable services, programs and activities to the residents of Alton.

Respectfully submitted,

Kellie Troendle, Recreation Director Certified Parks and Recreation Professional

#### REPORT OF THE LEVEY PARK TRUSTEES

The Trustees are pleased to report another year of productive activity at the park.

In early May a total of seventy shrub and tree seedlings, procured from the Belknap County Conservation District, were planted throughout the park. The varieties included bayberry, mountain laurel, rugosa rose, high bush cranberry, weigela and black walnut. In addition to providing color when in bloom, these species were selected because their fruit is attractive to birds and smail wildlife. Lending a helping hand with the planting were several students from Denise Lachance's eighth grade science class at Alton Central School.

To assist in caring for the new plantings until they are well established, each was marked with a small flag, and Dick Quindley made modifications at the water spigot to provide for hose access to keep them watered. The Trustees plan to obtain additional seedlings for planting in the spring of 2001.

Improvements were made in the appearance of the picnic area. An old wire fence along the back wall was removed and replaced with a new wooden rail fence. Two varieties of lilacs were planted parallel and to the rear of the fence.

The grounds in the kettle hole area of the park (also known as the "bowl") were spruced up by removing some dead and partially fallen trees. Two new wooden benches were constructed and installed along the path which encircles this area.

Once again we are indebted to the Alton Garden Club for furnishing the flowers planted by the memorial tablet.

The park is open from sunrise to sunset for picnicking, hiking, X-C skiing, and snowshoeing. No motorized vehicles of any kind are permitted, nor are open fires. Municipal well water is available during the warm weather months.

Respectfully submitted,

Richard N. Jones, Chairman

### REPORT OF THE POLICE CHIEF

Another year has passed by, and now we begin to plan for the Year 2001. The Alton Police Department was fortunate in the year 2000. We were able to add to our services a water response craft, which has been in waiting for a long time. This response boat is used by the many Town departments and not just by the police, to answer calls for service on the islands. It has been proving itself invaluable to the Code Enforcement Officer and Tax Assessing Officer as well.

Also in the year 2000, the department witnessed the patrol cruisers being equipped with the Mobile Date Terminals and laptop computers. It is absolutely awesome to witness what these new technologies can do to improve things. It is also a humbling experience to realize that the transformation that the Police Department has gone through would never have occurred without the relentless support of concerned and informed taxpayers. And, because of the citizens continued commitment to invest in the Alton Police Department development, the agency has begun to emerge as a "light house" for professionalism within the Lakes Region area.

It remains extremely difficult for most police departments within the country to keep quality personnel, and so, Alton was no different in 2000. The economy during the year 2000 has made the retention and recruitment of police officers a nightmare. The Alton Police Department lost over 40% of its veteran officers to other departments. Exit interviews indicated that officers left for better career opportunities and pay benefits. Although the Alton Police Department continues to struggle in its efforts to retain its remaining veteran officers, the staffing table for the beginning of the year 2001 will be at 100 percent.

The Police department did not have any program activities in the Alton Central School, nor did we have any community education programs for the year 2000. The reason for this was the need to prioritize services given the rapid loss of the staff we experienced during the summer months. However, for the year 2001, the department in a collective effort with other professionals within our community is formulating and constructing an innovative new school program scheduled for September 2001. This program will combine drug education with civic responsibility.

What is planned for the Year 2001? For one thing, the department plans to have more citizen involvement in traffic enforcement. The "Citizen's Directed Traffic Patrol Program" will be set into motion. We are constantly inundated with traffic complaints about Prospect Mountain Road, Stockbridge Corner Road and many other well traveled neighborhood roads. To directly address this problem, the Department will set up a program where the citizen works directly with the Patrol Sergeant in setting up their own traffic control directive. Once the traffic directive is done, then the citizen will be mailed a copy of the statistics and results of their directed patrol.

In closing, I would like to add that here at the station we believe strongly in the strength and unity of our community, and are truly thankful for the people we serve.

In Your Service, Kevin D. Iwans, Chief of Police

## SUMMARY OF POLICE DEPARTMENT ACTIVITY/STATISTICS

DESCRIPTION:	TOTALS:
General:	
Number of Calls for Service	5860
Number of reported Incidents/Offenses	1878
Number of Criminal Arrests	110

Police officers Assaulted	14
False Reports to law Enforcement	14
Resisting Arrest and Detention	2
resisting riffest and Detention	4

### REPORT OF THE FIRE CHIEF

The year began with preparations for the millennium ahead and with it the need to up grade our ability to answer the increase in calls for emergency medical services. Calls for service to date include: 156 calls for fire or emergency and 305 requests for emergency medical services. This amounts to an increase of 45 calls over those received in 1999.

Training for these needs has developed several new EMT's as well as training 21 personnel to a State of New Hampshire commercial emergency vehicle operator's level.

The upgrade of low band radio communications equipment to high band is near completion. This new system dramatically increases personnel safety.

The live-in student program has broadened to four personnel: two are assigned to the West Alton Station and two at the Central Station. These fire fighters are required to perform 20 hours per week of station duties and be available for emergency calls.

The combined hours of service for all personnel for year 2000 is 6,094.5 hours. As our storage needs increase, we have reviewed surplus equipment and have advertised for its exchange for new up-to-date equipment. This program has returned over nine thousand dollars (\$9,000) of new much needed equipment to our inventory - at no expense to the tax payer.

The responsibility of EMS service has provided a revenue to underwrite the cost of equipment, again at no direct cost to the taxpayer. These funds, thanks to the personnel that earned it through their commitment to respond to the need, will offset the purchase of an ambulance along with the gift of funds from the Alton Ambulance Service. All of these things considered have utilized available space, leaving none.

The people of Alton have always supported the needs of the Fire Department. At this time we are appealing to you for your support for funding of a plan to meet the combined needs of Police, Fire and Emergency services within the community, in a public safety building.

A note of thanks from the Fireman's Association for your generous contributions to the thermal imaging camera fund. A camera will be purchased soon.

In closing, I would like to thank all those who have supported the department this year. I encourage you to compliment those who serve by choosing how you may do the same.

In Service to Our Community,

Russell M. Sample, Jr., Fire Chief

### TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

There are 2,200 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention, and law enforcement. The number of fires reported during the 2000 fire season was below average as referenced in the statistics below. Despite this, our network of fire towers and detection patrols were still quite busy with the fire towers being first to report over 135 fires. These fires were quickly and accurately reported to the local fire department for their prompt and effective suppression efforts. Wildland fires occurring in areas where homes are situated in the woodlands are a serious concern for both landowners and firefighters. Homeowners can help protect their homes by maintaining adequate green space around them and making sure that houses are properly identified with street numbers. Please contact the Forest Protection Bureau to request a brochure to assist you in assessing fire safety around your home and woodlands.

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing <u>ALL</u> outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-L:17, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the New Hampshire Division of Forests and Lands, Forest Protection Bureau. Forest Rangers have investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217, or for general information visit our website at www.dred.state.nh.us

The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection system and reports from citizens aid in the quick response from local fire departments. These factors are critical in controlling the size of wildland fires, keeping the loss of property and suppression costs as low as possible. Due to permitting and fire safety concerns, please contact your local fire department <a href="mailto:BEFORE">BEFORE</a> using portable outdoor fire places and vessels, including those constructed of clay, concrete or wire mesh.

Please contact your local fire department before doing ANY outside burning.

### REMEMBER ONLY YOU CAN PREVENT FOREST FIRES!!

### 2000 FIRE STATISTICS

### REPORT OF ALTON WATER WORKS

The primary goal of the Water Commissioners is to provide safe clean drinking water in sufficient quantities to meet the current demand of our system users and to plan for future increases in the demand on the system. We would like to thank the many people who have assisted us in accomplishing this goal during the past year including our dedicated staff, other town departments and the general public.

Presently, the Water Works operates two well/pumping stations located at Levey Park and on Route 140 near the fire station. The Levey Park station can produce approximately 300 gallons per minute and has treatment facilities. The Route 140 Station can produce approximately 160 gallons per minute and this year has been outfitted with the same facilities that are used at the Levey Park Station. During 2000, the well/pumping stations combined, delivered 62 million gallons of treated water into the distribution pipes of our system. The pumping station on Route 140 near the fire station is used solely as a backup if the Levey Park pump fails.

To insure safe drinking water, the Water Works conducts monthly bacteria testing as required by the state. A considerable number of other tests were also performed during the year. The corrosion control tests have improved significantly this year as a result of the corrosion control treatment instituted in late 1996. Of the twenty sites tested, all were well below EPA action levels for lead and copper. We are treating the water to raise its P.H. level, which reduces deterioration of metal plumbing.

Projects completed this year include the rehabilitation of the Levey Park well. The pump was removed and the well casing and screen were cleaned. Several parts of the pump were replaced and the pump was reinstalled.

The three inch (3") line from Back Bay Bridge was replaced with a four inch (4") plastic line to just past Sandy Point.

The three inch (6") plastic main was replaced on Riverlake West. This replacement increased the quantity and quality of water. We were also able to install two fire hydrants.

In closing, the Water Commissioners would like to request the assistance of the citizens of Alton by reporting water leaks or other problems as soon as possible. Please call our office at 875-4200. For the convenience of those who wish to drop off their water bill payments at our office, a letter drop has been installed in the office door. We would again like to thank everyone who assisted the Water Works in 2000 for their help.

Respectfully submitted,

Richard Quindley, Water Superintendent

### REPORT OF THE SOLID WASTE CENTER DIRECTOR

The year 2000 was a very busy and exciting year. I succeeded to the position of Director when Mal Simonds retired after thirteen years of faithful and loyal service to the Town of Alton. Paul Pfaff was appointed as Assistant Director. John Randall was promoted to Attendant II. Bill Hardy was hired as a brush pit attendant replacing Joe Selfridge who retired after serving several years as brush pit attendant. Back again as Gate Attendant was Joe Fisher.

Revenues to the Town are up from 1999, thanks to all the good people who recycle. Our busiest month was July with over 300 tons of demolition, household trash and recycled items coming in the facility and being transferred out. February was the slowest month with less than 100 tons. The total tonnage for the year 2000 was 2400 tons. The Goodwill Box located at the Solid Waste Center is one of the most active in the area and is emptied daily, thanks to all for your donations.

Once again let me remind everybody that recycling is mandatory in the Town of Alton. The majority of residents comply with this ordinance, although there is a small percentage of individuals who do not. In the very near future we will be issuing citations to those who do not comply with the Town ordinance, this means you will be fined. Please take the time to recycle! If you have any questions, please ask me, or Paul or John or simply call us. Remember recycling saves you, the taxpayer, money.

New permits will be on sale starting 2002. They will be good for 2 years. There will be a price increase due to an increase for our disposal of demolition and solid waste. New permits must be displayed on the driver's side of the windshield, onto the vehicle it has been assigned to, by sticker number and vehicle plate number.

Please work with us so we will be able to continue to keep the facility running smoothly and looking good. Your help and co-operation is greatly appreciated. Thanks for another great year.

REVENUES FOR 200	00
STICKERS	\$ 2594.00
TIRES	1749.00
METAL	3434.00
PAPER/CARDBOARD	4812.68

FINES	6.00
TOTAL	\$69,568.23

Respectfully submitted, Warren A. Zitzow, Director

### REPORT OF THE HIGHWAY AGENT

I wish to thank the residents of Alton for their support of the Highway Department. Without your support we would be unable to do our jobs. Your telephone calls have helped us identify problem areas. Some of these areas we were able to correct quickly, other areas we had to put into long-term plans due to budget reasons. Again, thank you for your help.

Highway Department projects for 2000 were:

Fort Point Road reconstruction

Guardrails on Stockbridge Corner, East Side

Dig and widen Rines Road

Dig and widen Miramichie Hill Road

Dig and widen Lily Pond Road

Dig and widen Bartlett Road

Dig and widen Davis Road

Dig and widen Sunset Shores Road

Dig and widen Frohock Brook Road

Dig and widen a portion of Jesus Valley Road

Pavement overlay was performed on Hutchins Circle, Moody Road , half of Chestnut Cove Road and to finish Gilmans Corner Road.

Chip Sealing projects included, Rines Road, Quarry Road, Prospect Mountain Road and Hollywood Beach Road. Crack Sealing was done on Rand Hill Road and Loon Cove Road.

Projects planned for 2001 are:

Reconstruction of Phase I , Alton Mountain Road Reconstruction of Anniversary Hill Road Dig and widen Jesus Valley Road Dig and widen Upper Bay Hill Road Dig and widen Chamberlain Road

Pavement Overlay on Riverlake Street West Pavement Overlay on Chestnut Cove Road Pavement Overlay on Hurd Hill Road

Chip Sealing on Hidden Springs Road Chip Sealing on Loon Cove Road Chip Sealing on Rollins Road

At this time I would like to thank my crew for their dedication in making Alton a better place to live.

My appreciation is also extended to the Town officials, departments and staff in Town government for their patience, understanding and assistance as we all work together for the common good and betterment of our Town.

## PUBLIC SAFETY IS OUR NUMBER ONE CONCERN

Respectfully submitted,

Kenneth G. Roberts, Highway Agent

# REPORT OF REPRESENTATIVES TO THE GENERAL COURT AND BELKNAP COUNTY DELEGATION

New Hampshire State Representatives District 5 is made up of the Towns of Alton, Barnstead and Gilmanton. There are four of us who represent you in such Committees as Executive Departments and Administration; Resources, Recreation and Development; Transportation; as well as our responsibilities in Session.

As members of the County Delegation, we also serve you in areas such as Executive Committee, Personnel and Wages, Airport, Gunstock Area, Lakes Region Mutual Aid, Law Enforcement, and Outside Agencies.

During this 157<sup>th</sup> Session, we will be faced with some very important issues including Education Funding and Judicial Reform, in addition to the regular slate of business.

Accordingly, we urge you to contact any or all of us with any questions, concerns or suggestions.

Respectfully submitted,

Gordon Bartlett	524-6536	Laurie Boyce	875-7371
Stan Czech	875-3815	David Russell	364-7449

## REPORT OF DISTRICT ONE, EXECUTIVE COUNCILOR

It is once again a privilege to report to the people of this large Northern Council district, 98 towns and four cities spread throughout Coos, Grafton, Carroll, Belknap, and Sullivan Counties.

The constitutional and statutory responsibilities of the Executive Council are within the Executive Branch of your New Hampshire State government. Our role is much like a board of directors of a large company. We are charged with carrying out the laws and budget passed by the New Hampshire House and Senate. The Governor and Council employ 294 Commissioners and Directors to administer over 100 departments and agencies to carry out the details of the laws and budget of your State government. The Council has an overall supervisory role in assisting citizens, business, agencies, towns, cities, and counties in effectively working with State government.

Preparing for the coming two-year term that I have been elected to as one of your public servants, I share with you the following ideas and requests:

If anyone is interested in making a volunteer contribution of their time and talent on a Board or Commission through the appointment process of the Governor and Council, please contact my office or Kathy Goode, Council Liaison, Governor's Office, State House, Concord, NH 03301, Tel. 271-2121, and ask for the appointment list for 2001. As your councilor, I am always looking for people to serve on a multitude of Boards and Commissions in your State government.

The Governor's Advisory Commission on Intermodal Transportation (five Executive Councilors and the Commissioner of Transportation) will be holding hearings around the State on citizen and regional planning commission recommendations for improving our highway system throughout New Hampshire. If you have suggestions on a needed improvement, please send them to your regional planning commission or to my office soon so they may be given consideration.

The Regional Health Planning District Councils continue to meet and consider major changes in the health maintenance system for citizens both at the local and state levels. Anyone wishing to serve on your region's District Health Council should contact my office or Lori Real, Director of Planning Research at NH Health and Human Services Department, Tel. 271-4235.

As one of your elected officials, I would urge your town and region to be in constant contact with out New Hampshire Congressional Delegation to let them know of your ideas, concerns and desires. I am interested in promoting projects to send to Senators Smith and Gregg and Congressmen Sununu and Bass. They are effective in their committee assignments and should always have a list from back home in New Hampshire to advance in our nation's Capitol.

I recommend use of the NH Webster system. It is the official state locator for your new Hampshire State government at http/www.state.nh.us. A complete directory of phone numbers and addresses of all state agencies is listed for your convenience. Utilize your local Town/City Library to access the Webster System which I administered and maintained by the New Hampshire State Library.

My office has available a handy 800 toll-free phone card of organizations for rural.

Always know my office is at your service. Contact me anytime!

Respectfully submitted,

Raymond S. Burton Executive Councilor

### REPORT OF GILMAN MUSEUM

The Museum Committee is pleased to report our improvements to the museum are finished and that we were open for visitors this past year. We were proud to welcome visitors from the NH Historical Society in the spring and others who came to view our exhibits. The Museum was included as a participant in *Yuletime in Alton* in December, we had over 150 guests!

We have hosted the Amherst Button Club who have been instrumental in restoring our button collection. The restoration of this display is ongoing.

This year our firearm collection will be put back on display and our exhibit hall will be completed.

At this time, we wish to acknowledge the help and efforts of Home Beautiful, Creative Concepts, Jerry Rousseau, Jamie Rockwood, June Maserian, Bob Longabaugh, Loring Carr, Lois and Roger Dow, Keith Hoover, Helen Sullivan, and all those who offered advice and contributed in their own way to bring these improvements to a conclusion.

The Museum has free admission and is open for viewing year round by appointment, and during the months of July and August we will be open two days a week and one Sunday a month. We welcome any volunteers willing to serve as docents, please call 875-2161.

There are many unique displays that would interest all ages and especially collectors of Americana artifacts, we look forward to greeting you at the museum in 2001!!

Respectfully submitted,

William Crocker, Chairman Gilman Museum Committee

### REPORT OF THE LIBRARIAN

It has been an exciting year for us as we have started the process of automating the library.

The Gilman Library Trustees have accepted a two year plan proposal, from Whitcomb Associates, Inc., to purchase the Winnebago Spectrum Library Automation System. Phase One of the plan, which is now in process, involves automating the library collection. We anticipate that Phase Two of the two year plan, involving automating the circulation system, will be completed during 2001 - 2002. The complete automation package, Phase One and Phase Two, will be purchased for approximately \$23,000.00, using money from the building fund account that has been earmarked for this purpose. To date, the Trustees have spent \$10,205.00. Throughout the year 2000 we have been preparing the library collection for automation. This involves a long process of updating the shelf card list, weeding and doing an inventory of every item in the library. By the end of the year 2001 we hope to have the entire library collection on the Winnebago Spectrum Library Automation System. This will allow library staff and patrons to gain access to the card catalog by using the computer. Completing the automation system will help us to serve our patrons faster and with added efficiency.

Many thanks to all of you who have displayed your "special collection" in our library either in the form of an artistic collection to decorate our walls or a collection placed under glass in our display case located near the circulation desk. New collections are always welcome. We will continue to display any special collections that you may be willing to share with the community in the year 2001.

Here at the Gilman library we are still talking about books. The book discussion group meets on the second Monday of each month at 6:30pm to discuss a book of their choice. Meetings are held in the Agnes Thompson meeting room at the Gilman Library. New members are always welcome.

Story hour for children ages 3-5 is held on Wednesday afternoons from 1:30 to 2:15pm. Those who attend enjoy stories, songs and crafts. We commend our "story hour moms", Cathy Fraser, Mari Swift, Renee Wilkinson, Louise Jones, Gerri Filiogiannis, Michelle Whissle and Michelle DeRoche, for all they have done to help instill a love and appreciation for books, reading and learning in our little people., many thanks to our moms for making story hour a great success.

The Friends of the Gilman Library continue to be a tremendous asset to the library. As in the past, they have continued their efforts to "make the Gilman Library the best it can be" by donating time and refreshments to various meetings, programs and events throughout the year. Sales of the Friends of the Gilman Library calendars, canvas book bags and t-shirts continue.

Friends of the Gilman Library, trustees and staff came together this year to express heartfelt thanks to Ella marie Carr for 30 years of dedicated service as a library trustee. Ellamarie's thoughtfulness, kindness and consideration will remain in our hearts forever.

We welcomed Nancy Jordan as our new library trustee. Nancy has been a volunteer for the Gilman Library for many years and has proven to be a real asset to the library. Nancy's business skills, exceptional organizational skills and wonderful personality make her a pleasure to work with.

The Annual Mum Sale held in September at the Gilman Library was a great success. We thank all of you who took part and are grateful to Sunflower Gardens for providing the glorious mums, and for making a very generous donation to the Gilman Library Building Fund. Proceeds from this sale benefit the Gilman Library Building Fund and are earmarked for library automation.

Volunteerism plays a large part of what makes our wonderful library run smoothly, without the exceptional efforts of our regular volunteer staff managing the library would not be possible. Our thanks also to other volunteers who have come forward for special projects.

We appreciate all those who presented programs during the year, including Ethan Robertson, Jim Morrow, Brenda Griffin, Duke Southard, Sammie Haynes and Denise Merritt.

This December the Library took part in "Light Up Night" Yuletide in Alton and Friends of the Library hosted the second annual Holiday Tea. Both events were a great success and we are looking forward to next year.

The Agnes Thompson meeting room was used by various organizations, clubs and individuals throughout the year. The total number of meetings and programs held in the library in 2000 was 129.

In addition to regular duties associated with the library, the assistant librarian attended 2 RALI meetings and 5 Friends of the Gilman Library Meetings. The Librarian attended 3 RALI meetings, 5 Friends of the Gilman Library meetings, 1 Chilis meeting, 1 Winnebago Users Group meeting, 2 NHLA meetings and 4 Telesensory Committee Group meetings and several Department Head meetings.

The purpose of the Gilman Library is to enrich the quality of life through nurturing the joy of reading and lifelong learning by addressing the informational, educational and recreational needs of the community. Through out the year 2001 we will continue to make the Gilman Library the best it can be and will remain eternally grateful for the support of our community.

Respectfully submitted,

Holly Brown, Librarian

### REPORT OF THE CEMETERY TRUSTEES

The trustees are responsible for eleven cemeteries, which include:
The New Riverside Cemetery on Route 28
The Riverside Cemetery on Main Street, Route 11
The Alton Bay Cemetery on Main Street\*
Eight private cemeteries with perpetual care

The year 2000 closed with thirty-six burials and one exhumation.

The New Riverside Cemetery is offering burials in the New Cremation Garden. For \$150.00, each plot is approximately 36" x 36" and will hold two cremations with a flat marker for a monument. One plot has already been purchased in the Alyssum Garden section. A display case has been placed in the rear of the cemetery for information, rules and regulations and a directory that we hope will be helpful to locate the grave(s) of a departed family member(s).

Our goals for next year are to clear, grade, and survey the rear section of the New Riverside Cemetery. Work has already begun; trees have been cut and removed.

In the Riverside cemetery on main Street, the old section was hydra-seeded. The entire cemetery has been thatched and aerated. Flowers were planted in front of the new fence.

The cemetery will be open April 1 and close December 1. Hours are from dawn to dusk.

Respectfully submitted,

Shirley a. Lane, Cemetery chairman

\*This was the first public municipal cemetery in the main part of the village before the advent of the Riverside Cemetery.

# REPORT OF THE ALTON GARDEN CLUB "WE DIG ALTON"

Another year has flown by and the Alton Garden Club has continued in its beautification commitment to the town. We are a very busy group of people, preparing and maintaining the many gardens and flower barrels in Alton and Alton Bay. Our endeavors have not gone unnoticed however as we receive countless compliments from Altonians and visitors alike. Much of our success can be attributed to the ongoing generosity of Bruce Holmes of Sunflower Gardens for which we are very appreciative.

This coming year the restructured Grounds and Maintenance Department under the direction of Kellie Troendle has offered help with the more strenuous jobs that are encountered, again we are very appreciative.

Our fund raising activities include our annual Home and Garden Tour in July and our Flea Market and Food Sale in August. In turn we support the following organizations: Loon Preservation, Nature Conservancy-Nat'l, Nature Conservancy-NH, Audubon Society-NH, Student Conservation, Lakes Region Conservation, the local Mrs. Santa Fund and horticultural books to the Gilman Library in memory of deceased members. Our life is not only one of work but also one of enjoyment with informative monthly meetings among friends. Our membership is 104. The following are the officers and committee chairs for 2001.

### REPORT OF THE ALTON HISTORICAL SOCIETY

## The Alton Historical Society Celebrates 50<sup>th</sup> Anniversary By Bob Calvert

How many local volunteer organizations can point to 50 years of existence and continuing service to that town and its people? Not very many! But one that can is the Alton Historical Society, which in December of 2000, observed its 50<sup>th</sup> anniversary. In December of 1950, under its first president, the Rev. Dr. W.D. Swaffield, the society was organized and by-laws prepared. Seventeen years later in 1967 it was incorporated (non-profit) and has been continuously active ever since.

It is fascinating to review some 50 years of organization and executive board "minutes" and get a picture of the organization's highlights and challenges over that period. 23 presidents have served, as well as over 40 other officers and trustees in this period.

It is safe to estimate that over 2,000 Alton citizens have been listed in its membership. Active membership has moved from a low of 12 to a high of 74. What is its mission? Though variously stated at different times, it is generally indicated as "encouragement in the history of Alton for this and future generations."

A unique characteristic of this fine group for all its 50 years, is its status as a sort of "orphan" without a permanent home. A whole series of temporary homes for its "museum" made for a fuzzy and challenging operation. Finally in June of 1998, the Gilman Library Trustees, following completion of their remodeling campaign, made space available to the society in a room downstairs under the adult wing of the library. The agreement ensures ten years of "home" and still the long-term search will go on.

The society achieves its mission largely through the quality and innovativeness of its monthly programs from April to October each year. Hundreds have been presented! These programs have been for its members as well as the general public and have been local cultural highlights for years.

Occasionally the Alton Historical Society will join with another group to present a cosponsored program for both memberships and the general public. These include the Alton Bay Christian Conference Center, The Bicentennial Commission and friends of the Gilman Library. A recent example was the combination of Historical Societies from Belmont, Gilmanton and Alton bringing to life a sparkling Eleanor Roosevelt in her post-FDR days activities.

One of the most productive and unique highlights occurred in the mid-80's with a "partnership" between the Society and fourth graders of the Alton Central School. The students got involved with society programs and projects and from time to time put on their

own programs for the society. Over several years a large portion of a whole generation became exposed to the development of Alton history! Though not now in effect, efforts are being made to reestablish this "partnership."

The Alton Historical Society is still welcoming new members. We urge your exploration to become better acquainted with Alton's rich history. Volunteer docents are on duty at our museum in the summer to welcome and help visitors.

N.B. This article was edited to reflect the events which have happened. We submit this article to the Town Report for 2000 in tribute to Bob Calvert, who brought his graciousness and skills to help the Alton Historical Society as he did for other organizations in our town. We will miss him.

Respectfully submitted,

Jean Roberts, President Alton Historical Society

The Alton Historical Society offers this perspective this year for their annual report

### REPORT OF THE ALTON COMMUNITY SERVICES PROGRAM

The Alton Community Services Program(ACSP) established in October of 1999 provides the citizens of Alton with a central resource for meeting almost any need. As an approved non profit charitable organization, the ACSP runs an extensive referral service and food pantry at its current location on Main Street.

The ACSP, having volunteers on its staff representing both the Salvation Army and St. Vincent de Paul, provides financial assistance for the payment of rent, security deposits, heat and electricity as well as other emergency needs. In addition, the ACSP acts as coordinator in bringing Alton's three churches together to provide additional emergency assistance.

The ACSP's Food Pantry staffed entirely by volunteers, is open Saturdays from 2-4PM and by appointment. The ACSP can be reached at 875-CARE.

The ACSP is run by Director Elizabeth A. Sweeney and Assistant Director Dorothye S. Wentworth and overseen by a Board of Directors consisting of Pastor Peter Bolster, Pastor Robert Hett, Pastor Richard Wegman, Elizabeth Sweeney, Dorothye Wentworth, Patricia Rockwood, Marie Sheldon, Attorney Paul Monzione, Attorney Arthur Hoover and Kitty Croes.

The ACSP completed its first year of operation having served 61 families consisting of 103 adults and 108 children.

The Alton Community Services Program in addition to its referral service, directly met client needs this past year by helping to locate the following: a much needed refrigerator, boiler, affordable dental assistance, prescription assistance, transportation to and from the pantry, housing and clothing along with many other items. In addition, referrals were made to the Alton Welfare Office, St. Vincent de Paul, the Salvation Army, Laconia State Welfare Office, WIC, New Hampshire Housing Finance Authority, care givers and many other services.

The Alton Community Services Program is a community supported organization dependent upon the compassion and generosity of its citizens for its ongoing support. Donations of both food and funds are always welcome. We appreciate your support this past year.

Respectfully submitted,

Elizabeth A. Sweeney, Director

### REPORT OF NEW BEGINNINGS

On behalf of New Beginnings A Women's Crisis Center and those we serve, I would like to thank the Town of Alton for its continued support. The \$1000.00 allocation in 2000 assisted us in providing emergency services, advocacy and support to those whose lives have been affected by domestic and sexual violence.

New Beginnings offers a 24-Hour Crisis Line. We operate a full time shelter for women and children and have safe homes for male victims; provide support and advocacy at courts, hospitals, police stations, and social service agencies. New Beginnings offers peer support groups for those affected by domestic or sexual violence, assists with needs assessments, case management and housing options; and does community outreach and education programs for youth, teens and adults. All services are confidential and are provided free of charge.

The advocacy, outreach, education and support services our agency provides represent many service hours and individuals. In 2000 our agency documented 7008 requests for services as well as requests for educational and community outreach.

New Beginnings is one of 114 members of the statewide NH Coalition Against Domestic and Sexual Violence, promoting statewide networking and resource sharing among domestic and sexual assault programs. The Coalition is an evaluating body and administrator of state and federal contracts that provide subsidiary funding for member programs while advocating for legislative change that affect victims/survivors of domestic and sexual violence.

We greatly appreciate the support of the Alton community. We are dedicated to human service, social responsibility and fiscal accountability. Although, New Beginnings represents a finite portion of the Alton Town Budget the returns are immeasurable welcome your participation in our efforts to insure a world of safety for our children and ourselves.

Volunteers are an integral part of the work done by our agency. In 2000 there were 12,625 hours of service provided by volunteers. They are always needed and the opportunity to serve is fulfilling.

Thank you for joining us to make a difference.

Respectfully submitted,

Kathy Keller, Director New Beginnings A Women's Crisis Center

### REPORT OF LAKES REGION COMMUNITY SERVICES COUNCIL

Throughout the past year, Lakes Region Community Services Council has continued to serve those Alton residents who have a developmental disability. Services such as: residential, vocational, family support and transportation, have long become an inherent part of the lives of these individuals.

In the past, the focus has been on transportation, however in 2001, we will begin a new initiative. This year the focus of the funding requested will go toward providing recreation opportunities for individuals in the Alton area. We realize there are many recreational activities available, but only some of the individuals with developmental disabilities are able to access them. Our hope is to hire a person to assist in the programs available and make them accessible for both children and adults with developmental disabilities.

Respectfully submitted,

Richard Crocker, Executive Director

### REPORT OF VNA HOSPICE

The year 2000 has been a real challenge for the home care industry and for VNA-Hospice. All three of the Agency's programs have faced significant financial problems. The smallest of the three programs is the maternal Child Health program. Its main focus is children and their families. The services that are offered in this program are grant funded and most of the funding sources are giving either level funding or have decreased their funding, resulting in increased losses.

The Agency's Hospice Program continues to be one of the largest Hospices north of Concord and if our patients' and families' comments are true, then our program is also one of the best. The program underwent its first State review and was re-certified after having been found to be in compliance with all State and Medicare Conditions of participation.

The Hospice program provided end-of-life and palliative care services to 105 patients this past year and had a total of 5010 Hospice days. Over 1000 visits were made by volunteers to our clients! The Hospice program lost over \$192,000 during the last year and this was a result of clients being referred to the Program very close to their death when care is most expensive. The cost of medications and durable medical supplies has increased significantly, without any increase in funding from Medicare. In Fact, for every \$1.00 reimbursed to the Program, we spent over \$1.30.

The Home Care Program is certified by Medicare and remains the largest of the Agency's programs. It provides for skilled nursing, psychiatric nursing, personal care, physical therapy, occupational therapy and speech therapy in a client's home. The year 2000 has been a challenging year because of the change in the way its services were being reimbursed. As of October 1, 2000 the entire home care industry changed from a cost based reimbursement methodology to a prospective Pay service, where we are reimbursed for a 60 day episode of care. Much of the year was spent in preparing for this change. It required many extra hours of educational preparation and also required major updates to our computer systems and our documentation methodology, which now determines the amount that the Agency is reimbursed.

The staff has driven over 36,000 miles while making over 33,000 visits to residents of southern Carroll county and Alton this year. In Alton, VAN=Hospice made 5,321 visits, 468 of which were in our Hospice program.

Thank you for your continued support.

Respectfully submitted,

Marilyn Barba, MS, RN Executive Director

### REPORT OF COCHECO VALLEY HUMANE SOCIETY

The Cocheco Valley Humane Society provides numerous services to the residents, town and companion animals of the Town of Alton.

CVHS has no limit on the time an animal will be held at the shelter before being euthanized. Every animal is assessed individually and given as much time as possible to be adopted. All Strays are held for the required seven days and are held as long as necessary after that until they are placed in a loving home. The exceptions to this are animals which are aggressive or ill. Every effort is made to treat ill animals where possible. The Town of Alton began contracting with CVHS in April of 2000 to hold stray dogs. The contract covers about 60% of the cost of holding stray animals and 20% of all services provided to the Town. The stray services provided by CVHS provide the Town of Alton and its citizens with relief from roaming animals and the health hazards which accompany them.

Other services available to the town include Cruelty Investigation. This department assists local police in all aspects of cruelty and neglect cases from investigation through prosecution and care of the animals involved. In 2000, CVHS worked with Alton on three cases involving four dogs and 200 rabbits. Education of the owner is often the first step in relieving these situations and some never go to court. CVHS is uniquely prepared to work with citizens to remedy many of these animal issues.

As well as the holding and adoption of stray and homeless animals, CVHS also provided humane education programs to local schools and other community groups; low cost rabies and micro chipping clinics for the public; visiting companions for convalescent homes; lost and found listings for pets; and pet re-homing services for owners who must give up their pets. CVHS is an open admission shelter and does not require appointments for dogs and cats brought to the shelter. CVHS is open to the public, Wednesday 11AM - 4PM; Thursday, Friday and Saturday: 11AM - 5PM; and Sunday 11AM -4PM

The following animals were brought from Alton to CVHS in 2000:

Animals	Animal Control	Citizen Strays	Owner Turn-In
Dogs & Puppies	10	0	10
Cats & Kittens	2	1	10
ТО	ΓALS 12	1	20

Respectfully submitted,

Elizabeth Fourar-Ladi, Executive Director

### 2001

ANNUAL TOWN MEETING WARRANT

### 2001 ANNUAL TOWN MEETING WARRANT ALTON, NEW HAMPSHIRE

To the inhabitants of the Town of Alton, in the County of Belknap, in the State of New Hampshire, duly qualified to vote in Town affairs:

### 2001 TOWN ELECTIONS

You are hereby notified to meet at the Alton Central Fire Station in said Town, on Tuesday, the thirteenth (13<sup>th</sup>) day of March in the year two thousand and one (2001), between the hours of seven o'clock in the morning (7:00am), at which time the polls shall open, and seven o'clock in the evening (7:00pm), at which time the polls shall close, for the purpose of acting upon the following warrant article:

ARTICLE 1 To choose all necessary Town Officers for which there are vacancies, for such terms as may be permitted by law; and to elect: two selectmen for three years, one trustee of trust funds for three years, one library trustee for three years, one fire ward for three years, one cemetery trustee for three years, one water commissioner for three years, one water commissioner for two years, three budget committee members for three years, one budget committee member for two years, one budget committee member for two years, one planning board member for two years, and one supervisor of the checklist for five years to fulfill a six year term.

### 2001 TOWN MEETING DELIBERATIVE SESSION

You are hereby notified to meet at the Alton Central School Gymnasium on Wednesday the fourteenth (14<sup>th</sup>) day of March, beginning at seven o'clock in the evening (7:00pm), for the purpose of acting upon the following warrant articles:

ARTICLE 2 To see if the Town will vote to authorize the Selectmen to enter into a four-year lease-purchase agreement for the purpose of acquiring a new ambulance and vote to authorize the Selectmen to equip the new ambulance as necessary, and to raise and appropriate the sum of one hundred eighty-five thousand six hundred fifty-nine dollars \$185,659.00 (\$165,659.00 for the ambulance plus \$20,000.00 to equip the ambulance). The first year lease payment is \$70,000.00 plus an additional \$20,000.00 is needed to equip the ambulance, said amount is offset entirely by revenue funds from the Ambulance Replacement and Equipment Special Reserve Fund previously established pursuant to RSA31:95-C. (RECOMMENDED BY THE SELECTMEN)(\$90,000 IS RECOMMENDED BY THE BUDGET COMMITTEE)(2/3 VOTE REQUIRED)

ARTICLE 3 To see if the Town will vote to raise and appropriate the sum of fifty thousand dollars (\$50,000.00), to be added to the Fire Department Equipment Capital Reserve Fund previously established. (RECOMMENDED BY THE SELECTMEN)(\$20,000 IS RECOMMENDED BY THE BUDGET COMMITTEE)(SPECIAL WARRANT ARTICLE)

ARTICLE 4 To see if the Town will vote to raise and appropriate the sum of sixty thousand Dollars (\$60,000.00) to purchase and equip a 1-Ton Dump Truck for the Highway Department, and to designate the Selectmen as agents to expend. (RECOMMENDED BY THE SELECTMEN)(\$60,000 IS RECOMMENDED BY THE BUDGET COMMITTEE)(SPECIAL WARRANT ARTICLE)

ARTICLE 5 To see if the Town will vote to raise and appropriate the sum of six hundred thousand dollars (\$600,000.00) to be added to the Highway Reconstruction Capital Reserve Fund previously established. Said amount is to be partially offset by revenues from a Highway Block Grant in the amount of \$126,654.09. (RECOMMENDED BY THE SELECTMEN)(\$600,000 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE)

ARTICLE 6 To see if the Town will vote to raise and appropriate the sum of fifty thousand dollars (\$50,000.00) for Highway Department Equipment, to be added to the Highway Department Equipment Capital Reserve Fund previously established. (RECOMMENDED BY THE SELECTMEN) (\$10,000 IS RECOMMENDED BY THE BUDGET COMMITTEE)(SPECIAL WARRANT ARTICLE)

ARTICLE 7 To see if the Town will vote to establish a Tennis Court Capital Reserve Fund for the purpose of reconstruction of the Tennis Courts at Liberty Tree Park and furthermore to raise and appropriate forty thousand dollars (\$40,000.00) to be placed in the Tennis Court Capital Reserve Fund and to designate the Selectmen as agents to expend. (RECOMMENDED BY THE SELECTMEN) (\$40,000 IS RECOMMENDED BY THE BUDGET COMMITTEE)(SPECIAL WARRANT ARTICLE)

ARTICLE 8 To see if the Town will vote to establish a Revaluation Capital Reserve Fund and furthermore to raise and appropriate the sum of \$70,000.00 to be placed in the Revaluation Capital Reserve Fund and to designate the Selectmen as agents to expend. (RECOMMENDED BY BOARD OF SELECTMEN) (\$ 0.00 IS RECOMMENDED BY BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE)

ARTICLE 9 To see if the Town will vote to raise and appropriate the sum of two hundred ninety-nine thousand three hundred sixty-seven dollars (\$299,367.00) to complete the Main Street sidewalk reconstruction project. Said amount is to be partially offset by a state grant, estimated in the amount of \$269,756.00. The Town's share is \$29,611.00. This will be a non-lapsing account per RSA 32:7,VI, to be available until such time as the project can be completed or five years have elapsed, whichever comes first. (RECOMMENDED BY THE SELECTMEN)(\$299,367 IS RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 10 To see if the Town will vote to raise and appropriate the sum of fifty thousand dollars (\$50,000.00) to be placed in the Benefit Pay Trust Capital Reserve Fund as previously established and to designate the Selectmen as agents to expend. Said funds are recommended by the Town Auditors to be used to pay for benefits accrued by Town employees and redeemed when they leave employment with the Town of Alton, in accordance with the Town Personnel Policy. (RECOMMENDED BY THE SELECTMEN)(\$25,000 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE)

ARTICLE 11 To see if the Town will raise and appropriate the sum of three million, six hundred and seventy thousand, five hundred and ninety-seven dollars(\$3,670,597.00) to defray anticipated charges arising as part of the Town's operating budget for the current year. Said amount does not include any funds for special warrant articles addressed separately. (RECOMMENDED BY THE SELECTMEN)(\$3,526,784 IS RECOMMENDED BY THE BUDGET COMMITTEE) (MAJORITY VOTE REQUIRED)

ARTICLE 12 To see if the Town will vote to raise and appropriate the sum of twenty four thousand (\$24,000.00) to purchase a Police Patrol Vehicle, and to designate the Selectmen as agents to expend. (RECOMMENDED BY THE SELECTMEN) (\$24,000 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE)

ARTICLE 13 To see if the Town will vote to raise and appropriate the sum of eighteen thousand dollars (\$18,000.00) to purchase a mobile video system for the Police Department, and to designate the Selectmen as agents to expend. (RECOMMENDED BY THE SELECTMEN) (\$18,000 IS RECOMMENDED BY THE BUDGET COMMITTEE)(SPECIAL WARRANT ARTICLE)

ARTICLE 14 To see if the Town will vote to establish a Solid Waste Center Equipment Capital Reserve Fund and furthermore to raise and appropriate the sum of ten thousand dollars (\$10,000.00) to be placed in the Solid Waste Center Equipment Capital Reserve Fund, and to designate the Selectmen as agents to expend. (RECOMMENDED BY THE SELECTMEN)( \$10,000 IS RECOMMENDED BY THE BUDGET COMMITTEE ) (SPECIAL WARRANT ARTICLE)

ARTICLE 15 To see if the Town will vote to establish a Water Department Vehicle Capital Reserve Fund and furthermore to raise and appropriate the sum of twenty-five thousand (\$25,000.00) to be placed in the Water Department Vehicle Capital Reserve Fund and to designate the Water Commissioners as agents to expend. This warrant article will be funded by water users fees. (RECOMMENDED BY THE SELECTMEN)(\$ 0.00 IS RECOMMENDED BY THE BUDGET COMMITTEE)(SPECIAL WARRANT ARTICLE)

ARTICLE 16 To see if the Town will vote to raise and appropriate the sum of fifteen thousand dollars (\$15,000.00) to make repairs to the Police Station Roof, and designate the Selectmen as agents to expend. (RECOMMENDED BY THE SELECTMEN) (\$15,000 IS RECOMMENDED BY THE BUDGET COMMITTEE)(SPECIAL WARRANT ARTICLE)

ARTICLE 17 To see if the Town will vote to raise and appropriate the sum of eight thousand, three hundred dollars(\$8,300.00) to purchase a ventilation system for the Fire Department and to designate the Selectmen as agents to expend. (RECOMMENDED BY THE SELECTMEN)(\$8,300 IS RECOMMENDED BY THE BUDGET COMMITTEE) (SPECIAL WARRANT ARTICLE)

ARTICLE 18 To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000.00) to be added to the Bridge Replacement Capital Reserve Fund, previously established. (RECOMMENDED BY THE SELECTMEN)(\$10,000 IS RECOMMENDED BY THE BUDGET COMMITTEE)(SPECIAL WARRANT ARTICLE)

ARTICLE 19 To raise and appropriate the sum of forty-six thousand, two hundred and forty-six dollars(\$46,246.00) in support of the following community organizations:

10,2 10,00 ) 0 0 0 0 0	
A. Alton Community Services Program	\$ 3,000.00
B. Community Action Program	6,736.00
C. VNA-Hospice of Southern Carroll County & Vicinity, Inc	10,941.00
D. Youth Services Bureau Court Diversion Program	12,000.00
E. Lakes Region Community Services Council	600.00
F. New Beginnings	1,300.00
G. American Red Cross	1,500.00
H. Community Health & Hospice	5,000.00
L. Lakes Region Planning Commission	5,169.00
MMENDATION MADE BY THE SELECTMEN(\$0.00 IS RECOM	MENDED BY

(NO RECOMMENDATION MADE BY THE SELECTMEN)(\$0.00 IS RECOMMENDED BY THE BUDGET COMMITTEE)

ARTICLE 20 To see if the Town will vote to authorize the Selectmen to sell Town owned land in Alton Bay to lessees, provided the selling price is fair market value as established by an independent real estate appraisal company. (BY PETITION)

ARTICLE 21 To see if the Town will vote to authorize and mandate the Board of Selectmen to permanently change Church Street to a "one way" street. The direction of travel being one-way starting from Main Street Westerly to where Church Street intersects with School and Pine Streets. Furthermore, to make School Street a "one way" street with the direction of travel starting from the intersection of Church and Pine Street going Northeast toward Main Street and ending at the intersection of School Street and Main Street. The portion of School Street described herein as starting from the intersection of Church and Pine Street and going in a Northwest direction toward Route 140 shall remain a traveled way with "two way" direction of traffic. The Board of Selectmen will adequately and properly post the appropriate signs for each road, and, having done so, will then ensure that a reasonable effort to educate the public on these changes by means of publications will be completed. The provisions aforementioned in this Article shall be in effect no later than May 1, 2001. The purpose of this Article is to alleviate the heavy traffic congestion on these roads due to school activities and to ensure a more controlled traffic flow that can be better managed for the safety and welfare of our children. (BY PETITION)

ARTICLE 22 To hear reports of any committees, boards, trustees, commissions, officials, agent or concerned voters; and vote to accept same. Furthermore, to conduct any other business that may legally come before said meeting.

UNDER SEAL OF THE TOWN, given under our hands on this the 'A() day of February, 2001, by the Alton Board of Selectmen. ATTEST:

James C. Washburn, Chairman

Harold M. Bothwick Jr., Vice Chairman
